Multimedia Production

curriculum code: 1785 | HEGIS code: 5012

minimum credit hours required: 30

This certificate program provides a sequence of study that offers students artistic and technical skills vital to the contemporary media design workplace. The coursework is intended to provide suitable preparation for entry-level employment in multimedia design and production, one of the most rapidly growing employment areas in the country. It also enables individuals currently employed in multimedia design and production a means to upgrade and expand their skills. **Program completion will require students to attend some classes on the Jamestown Campus.**
