

Physical Education Studies

curriculum code: 1659 | HEGIS code: 5299

minimum credit hours required: 60

This degree program focuses on courses in the liberal arts and physical education theory and activity with an emphasis on health awareness, sportsmanship, and professionalism. Students will graduate from the program with a specific knowledge base and experiences in the areas of movement, sport/athletics, recreation, and the life sciences. Individual and dual sports, fitness and conditioning, team sports, recreation, and health are among the areas that will be studied. **Program completion will require students to attend some classes on the Jamestown Campus.**
