ADDITIONAL GRADES: Consult the college catalog for details about the incomplete (I), credit (CR), audit (AU), special audit (SA, SW, SX), official withdrawal (W), and administrative withdrawal (X) grades.

IMPUTED CREDIT: The faculty and administration have determined that some courses listed in this master schedule may not be counted toward degree programs offered by the college. These are courses which are not at the college level, but are designed as remedial courses for students who need to prepare themselves for college-level work. Eligible students enrolled in courses carrying imputed credit may receive financial aid.

ATTENDANCE: Every student is expected to attend all lecture and laboratory sessions for which he or she is registered. Absences will be recorded by instructors, and the student will be held responsible for making up all work missed. Attendance requirements for each course are established by the instructor and announced, published, and distributed with the course outline at the first class meeting.

PARTICIPATION IN ONLINE COURSES: Online students must begin their course the week it is scheduled to begin. Students are expected to log in to their course three-four times per week. Participation requirements are set by the instructor and published in course information documents. More information is available at www.sunyjcc.edu/academics/online-learning.

RETENTION AND GRADUATION RATES: A study of the 968 students who enrolled as first time full-time students at JCC in fall 2013 indicated that 36% had graduated by the beginning of the fall 2016 semester. An additional 15% had transferred to other colleges prior to graduation and 5% were still enrolled. A recent survey of 2015 graduates indicated that 42% of those responding had transferred to four-year colleges or universities, while 46% were employed full-time. (Sources: Materials from the State University of New York Administration Office of Institutional Research and the 2014-2015 graduate follow-up survey conducted by JCC's Office of Institutional Research.) This data is available in the institutional research office on the Jamestown Campus. Contact Barbara Russell, dean of research and planning at 716.338.1210 for additional information. It should be noted that some students "stop out" for a semester or two due to family, work, or financial considerations, but eventually return to complete their educational programs. Some students leave college before receiving their degrees because they have obtained the necessary skills for employment or have otherwise met their educational goals by attending JCC. Additional information about JCC graduates is available at <http://www.sunyjcc.edu/facts>.

Course Requirements

Students who have completed pre-/corequisites with a passing grade at another institution must provide a copy of their unofficial transcript at the time of registration. Terms used in course requirement information in the master schedule:

PREREQUISITE: A course or other requirement that must be completed prior to enrolling in another course.

COREQUISITE: A course or other requirement that must be completed during the same semester as another course.

ELIGIBILITY: Refers to an academic readiness to take certain courses through successful completion of previous coursework or placement testing.

RECOMMENDATION: A condition of enrollment that a student is advised to meet, but not required to meet.

PLACEMENT TEST: The college placement test assesses skills in mathematics, reading, and writing. If a student chooses to take any course for which there is a placement test prerequisite, he/she must take the appropriate test. As a rule, full-time students take the complete test during the application process and prior to registration. New part-time students are strongly encouraged to take the test prior to registration. Part-time students must take the placement test prior to enrolling in any course which has a reading, writing, or math prerequisite unless they qualify for an exemption.

PERMISSION OF INSTRUCTOR: A course with this notation requires the student to meet with the instructor to receive permission to take the course.

WAIVER OF PRE-/COREQUISITES: If a student feels qualified to take a course for which he or she does not appear to have the formal prerequisite background, the student should contact the instructor of the course. If, in the estimation of the instructor, the student meets the prerequisites in some other way, the instructor may sign an instructor's permission card which the student can then present to the Registrar's Office on the Jamestown Campus, the Counseling and Career Planning Center on the Cattaraugus County Campus, or the Main Office on the Dunkirk Campus. In the absence of the instructor, the waiver may be signed by the discipline coordinator/director, or dean. Students cannot register for courses for which they do not have a pre-/corequisite or a signed waiver form.
