WELCOME

October 2011

Dear Student:

On behalf of Jamestown Community College and the Chautauqua County Counselors Association, I invite you to the 35th annual College & Career Night program to be held Tuesday, October 18, 2011 in the JCC Physical Education Complex and the Hultquist Library.

The event is designed to help you with the process of deciding on a college and/or a career. Representatives from approximately 60 colleges and universities and over 80 career areas will be available to talk to you. This is an excellent opportunity for you to gather information for making very important life choices. To gain full benefit from this event, we suggest that you make an appointment with your counseling center or guidance office to discuss the information you obtain during College & Career Night.

Since there will be many colleges and careers represented, it will be helpful to review this booklet carefully to decide with whom you wish to speak and what topics you wish to discuss. Planning can make your visit to College & Career Night more valuable.

The Chautauqua Region Community Foundation, as a partner in this event, will offer Funding an Education workshops at 6 and 7:15 p.m. in Lenna Theatre in the Hultquist Library. This provides you the opportunity to begin your financial planning for college as well as think about career and college options.

We have scheduled this event during the evening to allow students to attend with their parents. We hope you will find the evening fun and rewarding. Should you desire additional information concerning College & Career Night, please see your high school guidance counselor or a counselor at the JCC Counseling and Career Development Center.

I look forward to seeing you at College & Career Night.

Sincerely,

Ronald A. Turak
Coordinator, College/Career Night

Questions to ask COLLEGE REPRESENTATIVES

You will find your conversations with college representatives more productive if you think about the questions you'd like to ask ahead of time.

Here are some suggestions:

- Do you have a specific program in my area of interest?
- What are the annual costs of attending your college or university?
- Could you describe the community in which you are located?
- What are the admission requirements?
- Is special licensing required?
- What percentage of students graduating with degrees in my area of interest find related employment?
- What are the special features of your college or university (financial aid, campus activities, athletics, etc.)?
- What are the deadlines for submitting an application?
- Will your school transfer courses from community colleges like JCC?

CAREER REPRESENTATIVES*

Representatives from the following jobs and careers have been invited to talk to you about work in their fields:

Questions to ask CAREER REPRESENTATIVES

You will find your conversations with career representatives more productive if you think about the questions you'd like to ask ahead of time. Here are some suggestions:

- What are your work responsibilities?
- What are your typical work hours?
- Could you describe your work setting?
- What are some ways of getting trained for this career?
- Is special licensing required?
- What personal qualities are needed?
- What school subjects would help?
- What is the salary range?
- What do you like and dislike about the job?
- What is the employment outlook? Locally? Nationally?
- How is the occupation likely to be affected by technology or change?
- What are some related occupations?
- What are the opportunities for growth within this field?

The college reserves the right, whenever it deems advisable, to change its schedule of tuition and fees; to withdraw, cancel, reschedule, or modify any course, program of study, degree, requirement or policy. Jamestown Community College is sponsored by a regional board of trustees representing Cattaraugus County, Chautauqua County, and the City of Jamestown.

Jamestown Community College does not discriminate on the basis of color, sex, sexual orientation, race, creed, religion, national origin or citizenship, age, marital status, military status, disability, family status, domestic violence victim status, arrest or conviction record, or predisposing genetic characteristics. This policy applies to access to all activities and programs under the college sponsorship as well as to application and selection for admission, employment, and all other personnel procedures within the college.
