

Part 1:
FALL FIRST SEMESTER
ASSOCIATE IN APPLIED SCIENCE
NURSING ELIGIBILITY WORKSHEET

The Nursing Eligibility Worksheet and the Application for Fall Admission to the Nursing Program must be completed prior to review for admission to the nursing program. Enrollment into the nursing program is competitive. Therefore, application by February 1 is of utmost importance. Applications will continue to be reviewed after February 1 on a space available basis.

This application must be completed by the candidate and returned to the appropriate campus:

|--|-----------|--|

This form must be used by all students who have previously filed a SUNY or JCC application for admission to JCC. **Any file with incomplete records will not be considered for admission.** It is the applicant's responsibility to ensure all required information is sent to the school for evaluation.

Last Name: _____ **First Name:** _____ **Middle Initial:** ____

Home Address: _____

If you have any educational records under a different name, give former name(s): _____

Date of birth: _____ **Social Security Number:/J-number** _____ - _____ - _____

Telephone number: (____) ____ - _____ **Last semester attended at JCC:** _____

E-mail address required: _____ **Year of high school graduation:** _____

| | | |
|---|---|-----------|
| Items you must have on file with the admissions office prior to nursing review: | | |
| _____ nursing application | _____ JCC placement test scores or equivalent courses completed | |
| _____ high school transcript or GED | _____ transcripts from other colleges attended, if applicable | |
| _____ LPN license, if applicable | | |
| Please answer all of the following questions. | | |
| Have you submitted high school and college transcripts from all institutions attended? These should be filed in the admissions office prior to February 1 of the year seeking admission (i.e. February 2010 for fall 2010 admission) for initial consideration. Applicants without transcripts will not be scored until transcripts are received. | YES | NO |
| OR | | |
| Applicants possessing a GED are required to complete college credit courses prior to admission to the nursing program. Have you submitted a copy of your GED? | | |
| Is your grade point average (GPA) at least 2.5 or higher if you are a current or previous college student? If you have attended more than one college, an average of your GPAs will be used. | | |
| If you are a high school student or high school graduate with no college experience, did you place in the top one-third of the class with a minimum of an 85% average? | | |
| Do you have a passing grade in a high school or college chemistry course? | | |
| Do you have eligibility for placement in ENG 1530: English Composition II? (Eligibility is determined by placement test or transfer credit, equivalent to ENG 1530.) | | |
| Will you be 18 years of age by June 1 of the intended JCC graduation year to be eligible to take the NCLEX exam for licensure as a registered nurse? | | |

- If you marked no to any of the questions above, you are ineligible for the nursing program at this time. You may still be considered for the math/science pre-nursing program. After you have completed college level courses required for the nursing program and have obtained a minimum 2.5 GPA, you may apply to the nursing program as soon as you have completed the requirements.
- If you marked yes to all of the checklist items above, please complete Part 2: Application for Fall Admission to the Nursing Program form and submit to the admissions office prior to February 1.
- Meeting the criteria does not guarantee admission into the nursing program. A greater number of points improves the applicant's chances of being selected.
- Have you ever been found to be in violation of the "Academic Integrity" or "Student Conduct" policies set forth in Appendix II of JCC's *Constitution of the Student Body*, or found to be in violation of equivalent policies governing academic integrity or student conduct at other postsecondary institutions you have attended? Yes___ No___

I have read the admissions criteria for the nursing program as listed on JCC's nursing website and believe that I meet all of the requirements. If it is discovered that I am not currently eligible or placed on the waiting list for the nursing program, I may attend JCC as a math/science pre-nursing major until a time I am eligible, accepted, and ready to enroll in the nursing program.

Calculating your nursing points:

A point system will be applied to those applicants who meet admissions requirements based upon courses completed toward the nursing program and GPA. In order to receive points, you must have completed the courses, you cannot be currently enrolled in the courses. **Supporting documentation for all points, including transcripts, is required at the time of application submission unless previously on file.**

Please calculate the points you have determined you are eligible for at this time. All points will be reviewed prior to acceptance by the admissions office. Meeting the criteria does not guarantee admission into the nursing program. A greater number of points improves the applicant's chances of being selected. Additional information regarding the points for nursing can be found in the college catalog and at www.sunyjcc.edu.
