

Permit Decals Required in Jamestown and Olean Parking Regulations

All Jamestown Community College staff, faculty, administration, and students are required to have a JCC parking permit decal on the vehicles that they park on the **Jamestown and Cattaraugus County campuses**. This is being done to provide greater monitoring of who is on our campuses and to assure greater compliance with parking regulations (ie: parking in handicapped spaces without proper tagging, blocking fire lanes, etc.)

You may obtain permit decals by **completing the application form below** and returning it to the JCC FSA Bookstore on each campus. There is no charge for the permit decal, and you may request as many as needed if you drive multiple vehicles. It is your responsibility to obtain a copy of the parking regulations. Copies are available in the bookstore or on-line at <http://www.sunyjcc.edu/college-wide/safety/parking/parking.htm>. If you have any questions, please contact Susan Bronstein, director of human resources and college-wide safety, at 716/338-1035.

NOTE: Parking stickers will not be mailed to your home address, they must be picked up at the bookstore.
