The college reserves the right, whenever it deems advisable, to change its schedule of tuition and fees; to withdraw, cancel, reschedule, or modify any course, program of study, degree, requirement, or policy.

The information contained in this catalog is current as of the date of publication. It does not preclude the possibility of subsequent changes in course descriptions, faculty, tuition and fees, and college policies, or other changes which may result through action by the State University of New York or the Board of Trustees of Jamestown Community College.

The Master Schedule, published three times a year for the spring, summer, and fall semesters, is an addendum to the College Catalog.

Jamestown Community College does not discriminate on the basis of color, sex, sexual orientation, race, creed, national origin, age, marital status, veteran status, or disability. This policy applies to access to all activities and programs under the college sponsorship as well as to application and selection for admission, employment, and all other personnel procedures within the college.

Jamestown Community College is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools. Its curricula are approved by the State University of New York and are registered by the New York State Department of Education. In addition, the nursing program is accredited by the National League for Nursing Accrediting Commission. JCC's occupational therapy assistant program is accredited by the Accreditation Council for Occupational Therapy Education of the American Occupational Therapy Association. JCC is also approved by the New York State Division of Veterans' Affairs for the training of veterans and other eligible persons.
