Course Information

The following list is designed to assist students in the selection of appropriate courses to meet the distribution requirements of a degree program. Students should also consult the current college master schedule for a list of courses approved as satisfying State University of New York general education requirements.

Current course, degree, and certificate information can also be found at www.sunyjcc.edu.

Liberal Arts & Sciences
The liberal arts and sciences are comprised of all courses in the humanities, social sciences, and math sciences, as well as other liberal arts and sciences electives.

Humanities
Art - ART
Communication - CMM
Dance - DAN
English - ENG (except 0160, 0410, 0430, 2013)
International Education - EIE
Modern Languages (ARA, ASL, FRE, GER, RUS, SIA)
Music - MUS (except 1850)
Philosophy - PHL
Religion - REL (except 1590)
Theater - THE
INT 1750: Arts in the Apple
INT 1930-2540: Humanities I & II

Mathematics/Sciences
Astronomy - AST
Biology - BIO (except 1450)
Chemistry - CHE
Computer Science - CSCI (including only 1110, 1130, 1170, 1510, 1530, 1560, 1720, 2510, 2610, 2640, 2650, 2690, 2670, 2480)
Engineering - ENE (except 3260, 3290)
Geology - GEO
Mathematics - MAT (except G300, 6400, 6500, and 6600)
Meteorology - MET
Physics - PHY (except 2016-2020)
CRI 2940: Criminology
CRI 2930: Criminal Justice
CRI 3500: Science Connection

Social Sciences
Anthropology - ANT
Economics - ECO
Geography - GEO
History - HIS
Political Science - POL
Psychology - PSY
Sociology - SOC

Other Liberal Arts/Sciences Electives
Literacy - LID
Physical Education - PHED
CMRD 2300: Interpersonal Communications
ENG 2010: Internship
HUM 1108: Achievement and Self
HUM 1550: Life/Career Planning
INT 1050: Leadership Development
INT 1000: Becoming a Master Student
INT 1520: Student Success Seminar
MUS 1650: Business of Music
PHY 2010 and 2020: Internship

Career
Aviation - AVN
Business - BUS
Computer Science - CSCI (except 1110, 1130, 1170, 1510, 1530, 1560, 1720, 2510, 2610, 2640, 2650, 2690, 2670, 2480)
Cooperative Education - CED
Criminal Justice - CRI (except 1110, 1510, 1530, 2570, 2490)
Culinary Arts - CUL
Digital/Computer Technology - DCT
Education - ECU
Engineering - ENE (including only 2010, 2020)
Human Services - HUS
Interdisciplinary Studies - INT (including only 2010, 2030)
Land Agent - LND (including only 2010)
Mathematics for Educators - MAE
Mechanical Technology - MCT
Medical Office Technology - MOT
Nursing - NUR
Occupational Therapy Assistant - OTA
Protective Service Technology - PST
Welding Technology - WLD
BIO 1450: Emergency Medical Technology

Selected Studies:
Each academic division may occasionally elect to offer courses of a typical or experimental nature which draw upon the special interests and expertise of the faculty members. These courses are listed in the master schedule and are numbered within the appropriate discipline at 5000-5099 (freshman level) or 6000-6099 (sophomore level), i.e. CMRD 8503. Selected Studies - Public Relations.
Selected Studies courses are elective in JCC programs or may meet depth, distribution or core requirements. Consult your faculty advisor or counselor for details.

Frequency of Course Offering:
All courses required to earn a specific associate degree are normally offered with such frequency that a full-time student can earn the degree in a two-year period.
Each course description has designations indicating during which semester and on which campus (Honeoye Falls, 1.1 Cattaraugus County Campus - C, and Online) the college intends to offer the course. Certain courses do not have a designation indicating which semester they are offered. These courses may or may not be offered on the specified campus(es) during the period 2014-2015. The college reserves the right to cancel course offerings if enrollment is insufficient.

Course Numbering:
Credit hours to be earned in each course are shown following the course title. Course numbers are designated as 0000-0999 - Freshman level courses, and 1000-2999 - sophomore level courses.
