Immunization Requirements

There are two NY State public health laws affecting college students enrolled in 6 or more credits. The first requires students to demonstrate proof of immunity against measles, mumps, and rubella. The second requires the college to provide students with information about meningococcal meningitis and also requires the student to acknowledge receipt of this information and

indicate his/her choice regarding vaccination. (Meningitis vaccination is not mandatory, although the response form is mandatory).

Failure to comply will result in a $25 fine and administrative withdrawal from the college.

Parking Permits

Parking permits for JCC personnel and students on the Jamestown Campus are required. Parking permit decals must be affixed to vehicles.

Parking regulations and applications for decals can be obtained in the Campus Store in the Hamilton Collegiate Center or online.

I have more ambition now than ever and it is showing through my grades." If you have the will, your mentor is the way. Sign up for the Peer-2-Peer program today!
