

PEP Information

Admissions requirements to enroll in a PEP class must be met prior to registration.

Have you done the following?

- Reviewed the prerequisites for classes you wish to register for to ensure you are eligible for the class.
- Placement tested in high school or at JCC.
- Completed the PEP application with all appropriate signatures.
- Attached a copy of your high school transcript or homeschooled documentation.

Placement Testing:

All PEP applicants are required to take the JCC placement test for assessment in reading, writing, and mathematics skills prior to course registration. The test is offered at all JCC locations and takes approximately 2 1/2 hours to complete. For more information and to schedule the test, visit placementtesting.sunycc.edu, or call 800.388.8557, ext. 1065.

Course Credit:

For course selection, students meet with their high school guidance counselors to determine which classes meet high school graduation requirements and fit into their daily or weekly schedules. Many PEP students choose to enroll in more than one course each semester; some have been able to complete a full year of college credit during their last two years of high school.

PEP allows students to complete high school graduation requirements while simultaneously earning college credit. Since some high schools give dual credit for certain courses, credit earned at JCC may also be applied toward high school graduation requirements. Credit earned at JCC in courses taken by PEP students may be applied toward an associate degree from JCC or may be transferred to another institution.

What About Grades and Paying Your Bill?

Enrolled students have secure Internet access to their individual student records at www.myjcc.sunycc.edu. Students can view six-week and final grades, advisement transcripts, registration, and can access their JCC email account. No paper bills are sent to the student. Bills can be viewed and paid online at banner.sunycc.edu. The student is responsible for requesting that an official transcript be sent to the high school guidance office upon the completion of courses by visiting www.sunycc.edu/transcripts.

PEP Grant

The PEP Grant is a financial aid award program for high school students enrolled at JCC through PEP.

- You must be enrolled in a credit-bearing course to receive this award. If you audit a course or register for a non-credit bearing course, you are not eligible to receive an award for that course.
- You must be attending both high school and JCC classes, or be homeschooled and attending JCC classes.
- You may be enrolled at any of the JCC sites (Jamestown Campus, Cattaraugus County Campus, North County Center, or enroll in an online or distance learning credit bearing class).
- You must be enrolled in at least three, but less than 12, credit hours. The award will be one-half of your tuition charge, up to a maximum per semester of \$300.
- You must be enrolled and in attendance through the fourth week of classes to remain eligible for this award.
- The award will be credited to your account after the fourth week of classes. If you withdraw prior to the fifth week of classes, you will be responsible for tuition and fees in accordance with college policy.
- The deadline for the application is the end of the drop/add period.
- Immediately following high school graduation you will be eligible for two consecutive semesters and summer part-time study, either preceding or following the two consecutive semesters.
- You must be academically eligible to return to JCC to receive any subsequent disbursements.
- If you are eligible to receive a JCC tuition waiver or are cross-registered with another institution, you are not eligible for this award.
- **Funding for this program is limited.** Awards will be made on a first come, first served basis.

PEP Grant questions may be directed to the financial aid office:

Jamestown Campus: 716.338.1009 or 1.800.388.8557

Cattaraugus County Campus: 716.376.7512 or 1.800.388.8557
