If you cannot arrive prior to 4 p.m., please contact the Office of Residence Life, utilizing the following email address, Residencelife@mail.sunyicc.edu, as mandatory orientation starts at 4:45 p.m. and we will make special arrangements for those students arriving after 4 p.m. This is to ensure that you have your JCC student ID, which is a key into the residence halls. There is a mandatory residence life orientation for all residents on Saturday evening, August 26, 2017. Details will be provided in a letter to students. This orientation is for residential students only.
