

NORTH: Winter Alternate Parking:

Please be advised that there will be no parking in the yellow highlighted area of the map on **SATURDAY** morning, from **Midnight to Noon**, for snow removal. Please move all vehicles to the green highlighted area on the map during this time. Cars that are not moved may be ticketed or towed at the owner's expense. *You may move back to the lot after 1pm on Saturday.*

**If your vehicle is broken down or unable to be moved, please contact Dave Johnson at 716.338.1002

SOUTH: Winter Alternate Parking:

Please be advised that there will be no parking in the yellow highlighted area of the map on **FRIDAY** morning, from **1pm to 6pm**, for snow removal. Please move all vehicles to the green highlighted area on the map during this time. Cars that are not moved may be ticketed or towed at the owner's expense. *You may move back to the lot after 6pm on Friday.*

**If your vehicle is broken down or unable to be moved, please contact Dave Johnson at 716.338.1002

WEST: Winter Alternate Parking:

Please be advised that there will be no parking in the yellow highlighted area of the map on **SUNDAY** morning, from **Midnight to Noon**, for snow removal. Please move all vehicles to the green highlighted area on the map during this time. Cars that are not moved may be ticketed or towed at the owner's expense. *You may move back to the lot after 1pm on Sunday.*

**If your vehicle is broken down or unable to be moved, please contact Dave Johnson at 716.338.1002
