

JAMESTOWN COMMUNITY COLLEGE
State University of New York

INSTITUTIONAL COURSE SYLLABUS

Course Title: Community Health Working Internship

Course Abbreviation and Number: COH 1010

Credit Hours: 2

Course Type: Internship

Course Description: Students will gain practical experience participating in a minimum of 90 hours of supervised work in a local health organization, agency, or hospital. Students will apply the skills they have learned in service navigation and referral, networking, teamwork, ethics, and communication skills. Students will further learn how to advocate for individuals and families to help reduce health disparities. The student, faculty coordinator, and site supervisor will work together to create an appropriate learning experience for the student, which also includes a weekly seminar.

Eligibility: ENG 1510 without supports or Corequisite: ENG 1510 with supports.

General Education Requirements Met:
SUNY

JCC
APLN

Student Learning Outcomes:

Students who demonstrate understanding can:

1. Demonstrate an understanding of ethical practices, including confidentiality.
 2. Demonstrate the ability to assess client needs and to refer to appropriate services.
 3. Demonstrate an understanding of how the principles of rights, access, equity, and autonomy apply to social justice action, past, current, or future.
 4. Demonstrate appropriate competence with technology required for the site and for the course.
 5. Effectively apply knowledge and skills to a real-world experience, creative project, or independent intellectual investigation. [JCC Gen Ed- Applied Learning]
 6. Thoughtfully reflect on connections between concepts studied in the classroom and insights gained from an applied learning experience/project. [JCC Gen Ed- Applied Learning]

- Course grade is determined by the instructor based on a combination of factors, including but not limited to, homework, quizzes, exams, projects, and participation. Final course grade can be translated into a grade point value according to the following:

A=4.0	B+=3.5	B=3	C+=2.5	C=2	D+=1.5	D=1	F=0
-------	--------	-----	--------	-----	--------	-----	-----

- Veterans and active duty military personnel with special circumstances (e.g., upcoming deployments, drill requirements, VA appointments) are welcome and encouraged to communicate these to the instructor.
-

Effective Date: Spring 2024
