

JAMESTOWN COMMUNITY COLLEGE
State University of New York

INSTITUTIONAL COURSE SYLLABUS

Course Title: Macroeconomic Principles

Course Abbreviation and Number: ECO 2610

Credit Hours: 3

Course Type: Lecture

Course Description: Students will be introduced to how the US economy functions as part of an open economy, as it relates to international trade and finance. Students will learn to recognize the role of supply and demand, different economic systems, the private and public sectors, and evaluate unemployment, inflation, and Gross Domestic Product as indicators of economic activity. Students will evaluate matters of fiscal policy, monetary policy, and conflicting economic opinions.

Prerequisite/Corequisite: ENG 1530; **Eligibility:** MAT 1590 or higher.

General Education Requirements Met

SUNY

Social Sciences

JCC

Global Perspectives

Scientific Reasoning

Student Learning Outcomes:

Students who demonstrate understanding can:

1. Interpret and evaluate basic macroeconomic data and statistics.
 2. Evaluate macroeconomic models and theories, including the role of the open economy, fiscal policy, and monetary policy.
 3. Describe major concepts and theories of at least one discipline in the social sciences. [SUNY Gen Ed – Social Sciences]
 4. Demonstrate an understanding of the methods social scientists use to explore social phenomena. [SUNY Gen Ed – Social Sciences]
 5. Demonstrate awareness of global issues and the impact of individual and collective decisions on life around the world. [JCC Gen Ed – Global Perspectives]
-

- Course grade is determined by the instructor based on a combination of factors, including but not limited to, homework, quizzes, exams, projects, and participation. Final course grade can be translated into a grade point value according to the following:

A=4.0	B+=3.5	B=3	C+=2.5	C=2	D+=1.5	D=1	F=0
-------	--------	-----	--------	-----	--------	-----	-----

- Veterans and active duty military personnel with special circumstances (e.g., upcoming deployments, drill requirements, VA appointments) are welcome and encouraged to communicate these to the instructor.

Effective Date: Fall 2023
