INSTITUTIONAL COURSE SYLLABUS

Course Title: Early Childhood Development

Course Abbreviation and Number: EDU 1250

Credit Hours: 1 credit hour.

Course Type: Lecture

Course Description: Students will examine the developmental stages of young children including their physical, intellectual, and social-emotional capabilities, emphasizing the wide variation in abilities and behaviors in children. The basic concepts of developmental characteristics of children from birth through eight years of age are to be understood as a foundation for planning appropriate activities for children and establishing appropriate expectations of young children.

Eligibility: ENG 1510 without supports or Corequisite: ENG 1510 with supports.

Student Learning Outcomes:

Students who demonstrate understanding can:

1. Demonstrate an understanding of the developmental domains (physical, motor, perceptual, cognitive, language, personal/social) and that they are interrelated to the stages of development for ages birth-5.
 2. Objectively observe and record a child's behavior and link observations to the developmental domains.
