

**A TRANSFER ARTICULATION AGREEMENT BETWEEN
JAMESTOWN COMMUNITY COLLEGE
AND
DAEMEN COLLEGE
WITH
NURSING CURRICULUM SHEET**

This agreement establishes guaranteed admission to Daemen College (Daemen) for students from Jamestown Community College (JCC). Upon completion of any JCC associate's degree specified in this agreement, students will be accepted with full junior standing into the specified parallel bachelor's degree program at Daemen. JCC students can complete the Daemen degree within four additional semesters by following the attached guide sheets. Some health-related and teacher certification curricula may require more than four semesters at Daemen. As additional parallel programs are added to this agreement, any such exceptions will be noted on the appropriate curriculum guide sheet.

Application to Daemen

Applicants to Daemen will be expected to meet the requirements for the appropriate associate's degree program at JCC.

Students may apply to Daemen under this articulation agreement when they are near, or have completed requirements for, their associate's degree at JCC. Any courses completed to date will be verified by Daemen as appropriate for the designated Daemen program.

Parallel Programs and Transfer of JCC Credits

Students may select any Daemen major designated below as parallel to a program at JCC. Depending on the Daemen degree selected, students can transfer up to the number of JCC credits noted below toward meeting Daemen degree requirements. See the curriculum sheets that accompany this agreement for details:

- AAS Business – Accounting/BS Accounting – 72 JCC credits
- AS Business – Business Administration/BS Business Administration – General Business Specialization – 90 JCC credits
- AAS Individual Studies/BS Health Promotion, Any Specialization – 60 JCC credits
- AS Liberal Arts & Sciences – Math & Science/BS Natural Science – Health Science Specialization – 72 JCC credits
- AAS Nursing – BS Nursing – 90 JCC credits
- AS Criminal Justice/BS Paralegal Studies – 84 JCC credits
- AA Liberal Arts & Sciences: Humanities/BS Paralegal Studies – 84 JCC credits
- AA Liberal Arts & Sciences: Social Sciences/BS Paralegal Studies – 84 JCC credits

Student Academic Advisement

JCC will assume responsibility for advising students who are interested in transferring to Daemen. Advisors will use the attached curriculum guide sheets as the mechanism for communicating Daemen degree requirements to students. These guides will be revised every two years or as needed due to curriculum changes.

Application Procedures

Students who anticipate enrolling at Daemen under the auspices of this articulation agreement must complete an online application or file a paper application with the Daemen Office of Admissions. For the Summer and Fall terms, the application must be filed by April 1; for the Spring terms it must be filed by November 1.

¹Students who have successfully completed high school chemistry (official high school transcript must be submitted along with your admissions application) will not be required to complete CHE-101. An additional three credits in non-nursing elective course work will be required. If CHE 1500 or CHE 1530 was completed at JCC, this course will satisfy the CHE-101 requirement.

²In addition to the 18 JCC credits of Core Requirements noted above the following JCC courses will transfer to Daemen as Core Electives to complete the Daemen 45-credit Core Electives requirement: any college-level (non-imputed, 100-level or above) courses.

Tuition Grants: Tuition grants, not based on financial need are available to all graduate nurses and registered nurses, and underwrite up to 50% of the cost of tuition.

Nursing students transferring to Daemen College must have a minimum 2.0 cumulative grade point average in all coursework from JCC. Daemen College will accept grades of "D" or better from the degree granting institution/s ONLY.

Daemen will allow the transfer of up to 90 Jamestown Community College credits (the 63 credits specified above, plus CHE 1500 or CHE 1530 or if not required then the additional 3 credits in non-nursing elective course work, plus the Additional 24 credits of Non-Nursing Electives listed as remaining DC Requirements) toward fulfillment of requirements for the B.S. Nursing major.
