COURSE EQUIVALENCIES

This document establishes a transfer articulation agreement between Jamestown Community College and Medaille College. 2. Medaille College will transfer a minimum of 60 Jamestown Community College credit hours toward meeting requirements for the Medaille College parallel degree.

- a. Students who complete the BS Accounting degree and meet Medaille's gateway GPA requirement to continue into the graduate component are guaranteed acceptance into the Master of Science (MS) Accounting degree program at Medaille College.

5. Proposed changes in policies or curricula by either party should be communicated in writing to the other party.

7. This agreement will be reviewed by both institutions every three (3) years. This is to begin with the semester in which this document first takes effect. Thus, the document will be subject to review in the spring of 2021. Failure to conduct a review will in no way affect the terms of the agreement.
