**COURSE EQUIVALENCIES**

This document establishes a transfer articulation agreement between Jamestown Community College and Medaille College. Its purpose is to afford students the opportunity to pre-plan their college careers, and to facilitate the transfer process from an Associate in Arts (AA) or Associate in Science (AS) degree program at Jamestown Community College to a parallel Bachelor of Arts (BA), Bachelor of Science (BS), or Bachelor of Science in Education (BSED) degree program at Medaille College.

**TERMS OF AGREEMENT**

1. 2. Medaille College will transfer a minimum of 60 Jamestown Community College credit hours toward meeting requirements for the Medaille College parallel degree.

Students can also choose to transfer additional Jamestown Community College credit hours. The maximum allowed number of transferrable Jamestown Community College credits from Appendix A toward meeting requirements for each Medaille College degree is:

3. Students who earn a Jamestown Community College degree listed in Appendix A (with a minimum of 60 credit hours) are guaranteed the opportunity to earn the parallel bachelor's degree with four continuous semesters of full-time study at the normal coursework rate of 15 or more credits per semester at Medaille College.

4. Both Medaille College and Jamestown Community College agree to encourage qualified students to participate in this program by providing information, advisement, and assistance to prospective students.
5. Proposed changes in policies or curricula by either party should be communicated in writing to the other party.
6. Either party may independently cancel this agreement by notifying the other party in writing no less than one year before the intended date of cancellation.
7. This agreement will be reviewed by both institutions every three (3) years. This is to begin with the semester in which this document first takes effect. Thus, the document will be subject to review in the spring of 2021. Failure to conduct a review will in no way affect the terms of the agreement.
