

Articulation Agreement between
JAMESTOWN COMMUNITY COLLEGE
and
ALFRED STATE

Forensic Science Technology
Bachelor of Science (BS)

PURPOSE OF AGREEMENT

This document establishes a transfer articulation agreement between Jamestown Community College (JCC) and Alfred State (AS). Its purpose is to afford students the opportunity to pre-plan their college careers, and to facilitate the transfer process from JCC to the BS degree program in Forensic Science Technology at AS.

GENERAL GUARANTEE OF ADMISSION AND STANDING

Students who

- graduate from JCC with an Associate in Science degree,
- have achieved a minimum cumulative grade point average of 2.5 and a minimum grade of C in all transferable courses, and
- have achieved a minimum overall grade point average of 2.5 for all courses taken in mathematics and natural science

are guaranteed admission into the BS Forensic Science Technology program at AS. They are also guaranteed full junior status.

Students who do not meet all of the above criteria will be evaluated for acceptance on a case by case basis by the Director of the Forensic Science Technology program at Alfred State.

GENERAL GUARANTEE OF OPPORTUNITY TO GRADUATE

Students who transfer from JCC with at least 54 credits from the courses listed in Appendix A are guaranteed the opportunity to earn the bachelor's degree with four semesters of normal coursework at AS.

OTHER TRANSFER INFORMATION

A maximum of 66 transfer credits is generally accepted by AS. However, under the terms of this agreement students can transfer up to the equivalent of 75 AS required credits (courses listed in Appendix A). At least 30 upper level (5000 level or above) credits must be taken at AS to qualify for the BS degree. In addition, no transfer credits will be accepted by AS for courses that are considered to be upper-level coursework at AS.

FINANCIAL AID AND TUITION

Students accepted into AS under this agreement are eligible to participate in all AS sponsored financial aid, grants, assistantships, and scholarship programs customarily open to transfer students.
