EDINBORO UNIVERSITY OF PENNSYLVANIA
And
JAMESTOWN COMMUNITY COLLEGE

WITNESSETH

WHEREAS, Jamestown Community College (hereafter “JCC”) offers an Associate in Science (A.S.) degree in Fine Arts: Studio Arts; and

WHEREAS, Edinboro University of Pennsylvania (hereafter “EUP”) offers Bachelor of Fine Arts (B.F.A.) degrees in Applied Media Arts and in Studio Arts; and

WHEREAS, both institutions desire to facilitate the transfer of students from the A.S. Fine Arts: Studio Arts degree program at JCC to the subsequent B.F.A. degree programs at EUP; and

WHEREAS, subject to the terms of this Agreement, the student who has earned the A.S. degree in Fine Arts: Studio Arts at JCC with a minimum JCC cumulative grade point average of 2.00 and a minimum of 60 transferrable credits shall be guaranteed admission with advanced standing at the junior level to EUP and to the student’s choice of the B.F.A. Applied Media Arts or the B.F.A. Studio Arts degree program.

NOW THEREFORE, JCC and EUP officially confirm the following terms of this Agreement:

1. **Admission of Transfer Student.** Six months prior to matriculation at EUP, the student confirms the intent to enroll by completing the admissions application.

2. **Acceptance into Bachelor of Fine Arts Program.** EUP will acknowledge the student’s intent to enroll and the student must submit appropriate advanced deposits that will be credited towards the first semester fees.

3. **Student Transcript.** The student must forward an official final JCC transcript verifying receipt of the A.S. in Fine Arts: Studio Arts degree prior to registering at EUP. Costs associated with the transcript will be paid by the student.

4. **Academic Policies and Requirements.** The student while enrolled either at JCC or EUP shall comply with each school’s academic policies and requirements. However, the specific academic policies/degree requirements in effect for the B.F.A degree as awarded by EUP will be as such exists at the time of the student’s enrollment into the program.
5. **Discipline Policies.** The student while enrolled either at JCC or EUP shall comply with each school’s discipline policies and requirements. However, the specific discipline policies/degree requirements in effect for the B.F.A. degree as awarded by EUP will be as such exists at the time of the student’s enrollment into the program.

6. **Transfer Credits and Bachelor of Fine Arts Degree Completion.** Students who have completed all of the General Education and Art major requirements and electives as delineated in this agreement (EXHIBIT A) will have the opportunity to transfer JCC coursework equivalent to as many as 84 EUP required credits, leaving the completion of as few as 36 semester credits through EUP for the B.F.A. degree. The specific number of credits and semesters required to complete at EUP depends on how many Edinboro requirements (i.e. General Education, major requirements, and electives) are met at JCC prior to transfer, and which B.F.A. degree program the student is pursuing at EUP. Students who graduate from JCC having earned an overall GPA of 2.00 and at least 60 credit hours from among the courses listed in this agreement are guaranteed the opportunity to earn either B.F.A. degree with four semesters of normal coursework at EUP. For a course to transfer, a minimum grade of “C” must be earned. The transfer of grades below a “C” will be reviewed in the same manner as the grading policy of native EUP students so long as the student has earned a minimum of 60 credits from JCC with an overall GPA of 2.00. Please note that 30 of the last 45 credits must be taken through EUP, and 50% of the major requirements must be taken through EUP.
