- Articulation Agreement -

VETERINARY TECHNOLOGY

JAMESTOWN COMMUNITY COLLEGE AND ALFRED STATE COLLEGE

Purpose of this Agreement

This document establishes an articulation agreement between Jamestown Community College (JCC) and Alfred State College (ASC). Its purpose is to afford students the opportunity to earn the Associate of Applied Science (A.A.S.) degree in Veterinary Technology from ASC by taking up to 32 credits at JCC and completing degree requirements at ASC.

Required Coursework

Appendix A lists JCC courses that may be taken to satisfy requirements of the Veterinary Technology A.A.S. degree program at ASC. Graduation requires a minimum of five of the ten SUNY General Education knowledge areas. Students can take any combination of ASC courses and JCC equivalent courses from Appendix A to meet their degree requirements.

Other Graduation Information

A minimum cumulative grade point average (GPA) of 2.0 for all courses taken through ASC is required to graduate from the A.A.S. in Veterinary Technology program. Grades of “C” or better in corresponding individual courses at JCC are transferable to ASC and count toward graduation requirements. The cumulative GPA of all courses transferred from JCC must be at least 2.25. At least thirty hours of academic credit must be completed through ASC. One credit hour of physical education is also required. Alfred State College academic regulations can be found at www.alfredstate.edu.

A list of specific graduation requirements and additional information are provided below:

1. An ASC overall cumulative index of at least 2.0 is required in order to graduate.

2. The cumulative GPA of all courses transferred from JCC must be at least 2.25.
3. JCC students who complete all courses designated as “first year courses” in Appendix A, and who earn a minimum cumulative GPA of 2.25 for first-year courses taken at JCC, are guaranteed acceptance into the Veterinary Technology program at ASC and also guaranteed the opportunity to complete the A.A.S. Veterinary Technology degree in one year at ASC.

4. A maximum of twelve (12) credit hours may be transferred back within a 7-year period after leaving ASC to complete graduation requirements.

5. At least thirty credit hours of coursework for this degree must be taken through ASC.

6. Students transferring from JCC may only enter ASC’s Veterinary Technology program in the summer session or the fall semester.

7. A 120-hour preceptorship work experience is required after fall semester courses are completed at ASC. This requirement can be fulfilled through employment during winter and/or spring break at an appropriate facility.

8. A maximum of five (5) JCC students per year may take advantage of this agreement.

9. All VETS courses taken at ASC require a minimum C grade to continue in the program.

10. This curriculum meets five (5) out of ten (10) SUNY General Education requirements.

11. Be sure to check for prerequisite requirements when scheduling courses.

12. Frequent meetings with your academic advisor are encouraged.

13. One credit of PE is required.
### ASC Requirement | t - First-Year Courses | JCC Course Equivalent (crs)
--- | --- | ---
**COMP** 1503 | Freshman Composition | ENG 1530 College Composition (3)
**CHEM** 1984 | Chemical Principles I
 | CHE 1550 College Chemistry I (4)
 | Anatomy Elective
 | BIO 2510 Human Anatomy and Physiology I (4)
**MATH** 1143 | Liberal Arts Math | MAT 1500 Problem Solving with Math (or above) (3)
**VETS** 2014 | Anatomy & Physiology of Small Animals | BIO 2520 Human Anatomy and Physiology II (4)
**BUAD** XXX3 | Business Elective | BUS 2570 Principles of Management (3)
**HPED** XXX1 | Physical Education elective | PE Physical Education Elective (1)
**BIOL** 5254 | Principles of Microbiology | BIO 2530 Microbiology (4)
**GESS** 9100 | General Education - Social Sciences
 | SUNY General Education Social Science Elective (3)
**GEXX** 9100 | General Education Elective
 | Other General Education Elective* (3)
--- | --- | ---

* select from: American History, Western Civilization, Other World Civilizations, Humanities, Fine Arts, or Foreign Language

### Classes taken at Alfred State College:

**Fall semester**

- VETS 1203 Introduction to Veterinary Technology (3)
- VETS 1204 A&P of Large Animals (4)
- VETS 3023 Radiology (3)
- VETS 2013 Pathophysiology (3)
- VETS 4103 Lab Animal Management (3)
- ANSC 3013 Animal Disease Control (3)
- 16 credits

**Spring semester**

- VETS 3004 Anesthesia and Surgical Nursing (4)
- VETS 3024 Clinical Laboratory Procedures (4)
- VETS 3003 Animal Health Care (3)
- VETS 3013 Parasitology (3)
- VETS 3204 Farm Animal Management (4)
- 18 credits

**TOTAL CREDITS 69**

ASC = Alfred State College

JCC = Jamestown Community College
