ARTICULATION AGREEMENT
Between
WELLS COLLEGE AND JAMESTOWN COMMUNITY COLLEGE

Wells College, a four year private coeducational liberal arts college and accredited by The Middle States Association enters into a direct Transfer Agreement with Jamestown Community College, also accredited by The Middle States Association.

I. Students who are eligible for the agreement will meet the following criteria:
   a. Complete the Associate of Science or Associate of Arts degree before entrance into Wells College.
   b. Complete the admissions application process.
   c. Meet the academic requirements for admission to be an accepted student as stated in the current Wells College catalog.

II. The Articulation Agreement ensures that the student have the following opportunities:
   a. Students will be accepted into the Baccalaureate Degree program of their choice.
   b. Students will be granted two years of credit (60 semester hours) toward a Baccalaureate Degree without further review of their record, giving them junior standing.
   c. Most students will have an opportunity to complete a Baccalaureate Degree with four semesters of normal coursework at Wells College. Additional time may be required, depending upon the Baccalaureate Degree program that is chosen and upon the specific courses that are transferred to Wells College.
   d. Students will be eligible to apply for the Wells College Transfer Scholarship. This is a merit-based scholarship. Contact the admissions office for details about the application deadline, process, and criteria.
   e. Transfer students are also eligible for the same financial aid consideration and housing accommodations as all other entering students.
   f. All Jamestown Community College graduates admitted to Wells College under the terms of this agreement shall be eligible to participate in internships, field placements, and affiliated study abroad programs as open to native Wells College students.

III. Additionally:
   a. The appropriate administrative offices of the institutions shall discuss substantive changes in courses or programs of either institution possibly affecting this agreement.
   b. Candidates should discuss their proposed major with an appropriate instructor at Wells to determine their ability to complete their major field in two years.
c. Students who do not meet the criteria for admission will not be eligible for this agreement.

d. Students need two semesters of a foreign language to complete their degree at Wells College. It would benefit the student to complete this requirement at Jamestown Community College if possible. This would allow the student the time necessary to concentrate on their major and graduate in a timely manner.

e. The requirements for the education certification may be difficult to complete in two years of full-time study, even if the student has junior standing. Students who know they want to transfer to Wells College at the time they register for classes at Jamestown Community College should contact the Director of Transfer & Continuing Education Admission, and the Chair of Education Certification at Wells College. If the student has decided to transfer to Wells with a completed program they should meet with the education faculty at Wells to determine what courses the student needs and how long it will take to accomplish the degree program.

f. Students are required to complete 60 semester hours in residence at Wells College to receive the Bachelor of Arts or Bachelor’s of Science degree.

g. A final transcript with verification of the associate’s degree having been awarded will be required before entrance to Wells.
