4th week of semester and later (February 8 and later)	100%	0%

- Students participating in drop/add procedures during the first week of classes will not be assessed charges for dropped classes required for course schedule changes.
- Students who wish to withdraw from an individual course complete the Individual Course Withdrawal form on the Registrar's Office webpage. Students who wish to withdraw from all of their classes begin the process with the Counseling and Career Center. Students should consult with the financial aid and business offices *before* they stop attending classes or officially submit their withdrawal.
- All refunds are based on the date withdrawal forms are completed and filed with the registrar's office. Exceptions to this policy will be considered under extenuating circumstances.
- Students who receive Title IV aid (Pell, SEOG, Direct loans) and withdraw from all classes may have their awards reduced and will be responsible to repay any aid disbursed that they are subsequently ineligible to receive. Refunds are paid in the following order: Federal Direct Loans (subsidized and unsubsidized), PLUS Loans, Pell, SEOG Grants, required refunds of other federal, state, private, or institutional assistance, to the student.
- International students will be charged a fee to ensure they have appropriate health insurance coverage, which includes repatriation. This charge can be removed if the student completes the proof of health insurance waiver process.

CERTIFICATE OF RESIDENCE

To be eligible for New York state tuition rates, students must submit a certificate of residence issued by the county in which they reside no earlier than 60 days prior or 30 days after the start of class(es). Without a certificate of residence, the out-of-state tuition rate will be charged. The certificate of residence form and instructions are available at <http://www.sunyjc.edu/current-students/business-office/certificate-of-residence>.

PAYMENT PROCESS FOR ALL STUDENTS

After you have registered for your classes, please visit <https://banner.sunyjc.edu>. You must first complete your financial responsibility agreement before you will be able to view your current semester charges. You are responsible for accessing your bill which is available on demand via Banner self-service account. **JCC will not mail you a schedule bill.** If you:

- Expect financial aid funds that you are eligible to receive, they will be applied to your student account after registration.
- Need to pay your bill:
 - You may pay for classes by check or money order at any of the business offices. To pay using a bank account or a credit/debit card, or sign up for the payment plan go online to <https://banner.sunyjc.edu>. Payment must be received by January 14, 2022.
 - If payment is not received, your account will be placed on hold and assessed a late fee.

MAINTAINING ELIGIBILITY FOR FINANCIAL AID

Students enrolled at JCC are eligible to participate in a wide range of federal, state and institutional grants, scholarships, loans, and work-study programs. Students must be accepted and matriculated by the JCC admissions office and meet academic eligibility criteria to receive awarded funds. Start the application process for all sources of aid by filing the 2021-2022 Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov.

For more information on federal and state financial aid resources, visit the websites for the U.S. Department of Education, Federal Student Aid at www.studentaid.ed.gov, New York State Higher Education Services at www.hesc.ny.gov, and Pennsylvania Higher Education Assistance Agency at www.pheaa.org. In addition to meeting financial and academic eligibility requirements, students must meet federal and state citizenship and residency requirements and must not be in default of a federal student loan or owe a repayment of other federal student aid to receive awarded funds.

Students are encouraged to apply for funds from outside sources as well, such as private grants and scholarships, employee reimbursement plans, state vocational rehabilitation programs, Native American aid, veteran's benefits, and workforce development and re-training programs. Learn more about financial aid opportunities at JCC at www.sunyjc.edu/admissions/financial-aid.

ADVISEMENT/REGISTRATION

REGISTRATION PROCEDURES

Students who wish to add courses must do so before the end of Add/Drop period. Students are strongly encouraged to connect with instructors for courses that have already started to obtain course information.

Currently Enrolled Full-Time Students: Student advisement and registration concludes January 14. Schedule changes are processed during the drop/add period, January 18-24. Students can print a copy of their schedule by signing into Banner at <https://banner.sunyjc.edu>, or by visiting the Student Services Center on the Cattaraugus County Campus, the registrar's office on the Jamestown Campus, or the main office on the North County Center.

New Students and Readmissions: Apply for entrance to the college through the admissions office or at www.sunyjc.edu. Click on the admissions link. The admissions office will inform you about advisement and registration procedures.

Part-Time Students: Part-time students with 30 or more degree hours are encouraged to seek advisement from a full-time faculty member or counselor. Part-time students must follow the placement test policy. If you are a current JCC student and wish to register as a part-time student, please note that you can register through Self-Service Banner. If you are a visiting student, you can register part-time, prior to the second class meeting, by completing the Spring 2022 Registration form, available on the Registrar's webpage at sunyjc.edu.

Viewing Your Bill - Financial Responsibility Agreement (FRA)

Registering for classes creates a financial obligation to the college. Registered students are required to view their bill by January 7, 2022 to acknowledge their charges. If this is not completed it will result in the student being dropped from all registered classes. You can view your bill by logging in to self-service Banner. If you are under 18, a paper form must be signed by you AND a parent signature is also required. You can find the [form to print on the JCC website here](#). Complete the form and submit to the business office.

Mail-in and Online Registration

Students registering by mail or online (<https://banner.sunyjc.edu>) may access their bill online immediately after registration. To ensure class registration is not cancelled, each student must view their bill agreement by January 7, 2022. Student bills may be paid online in full or in installments at <http://mycollegepaymentplan.com/Jamestown>. Each student bill is due on January 14, 2022. After January 14, 2022, payment is due upon registration. If payment is not received, your account will be placed on hold and assessed a late fee.

Continuing part-time students can register through their self-service Banner (SSB) account. Full-time students can make changes to their schedule through SSB by using their alternative PIN, obtained during advisement.

Adding a Course: Students who wish to add courses must do so prior to the second scheduled class meeting for campus-based courses and prior to the end of drop/add week for online courses. Any additions after these dates require the instructor's permission. Permission cards are available at the registrar's office on the Jamestown Campus, the Student Services Center on the Cattaraugus County Campus, and the main office of the North County Center. Permission for online course additions may be obtained via email and sent to Registrar@mail.sunyjc.edu.

Withdrawing From a Course(s): **Withdrawing from a Course(s):** Visit <https://www.sunyjc.edu/programs/academic-resources> for semester specific withdrawal deadlines. Students must discuss withdrawing from a course with their instructor and advisor, then complete the Individual Course Withdrawal Form. If you begin the semester and then decide that you must withdraw from all courses, you must complete a Total Withdrawal Form. Both forms are available on the Registrar's Webpage at sunyjc.edu. **Please refer to withdrawal dates and liability on page 4. Withdrawals beginning January 18 will result in liability of your tuition and fees.**

ADVISEMENT NOTES

- Full-time students are required to see their advisors to review their academic progress and to discuss courses for the upcoming semester. Part-time students are also strongly urged to seek advisement.
- When you meet with your advisor, review your educational-vocational plans and academic progress. Discuss degree and graduation requirements. It is ultimately the student's responsibility to learn and know the graduation and program requirements for the degree being sought and to monitor progress toward fulfilling those requirements.
- Access your student transcript at <https://banner.sunyjc.edu>. Use the college catalog and DegreeWorks Evaluation to identify program requirements. Prepare a tentative course schedule prior to your advisement session.
- If you are changing your program of study, catalog term, and/or your advisor, you must complete a change form. Advisor/Program change forms are available online at www.sunyjc.edu/advisement and in the Student Records menu of your Banner account.
- Students with financial obligations to the college may be denied registration for additional credit and non-credit courses until satisfactory arrangements are made. Students should review their accounts with the financial aid or business offices before scheduling advisement appointments.
- Students are responsible for making sure their course selection meets financial aid guidelines.

PLACEMENT TEST INFORMATION

Math and English placement is based on high school GPA and additional success indicators. This helps determine the courses in which the student is best prepared to begin. Students without a GPA through the junior year of high school will take a computer-based math and reading test. Students wishing to challenge their English or math placement may choose to take the English and/or math placement test.

If you have a disability and require accommodated testing, contact the Accessibility Support Services coordinator at each site.

To register for a placement test and/or to see a list of exemptions, go to www.sunyjc.edu/placementtesting or call:

Cattaraugus County Campus: 716.376.7508

Jamestown Campus: 716.338.1065

North County Center: 716.363.6500

ACADEMIC INFORMATION

Additional Grades: Consult the college catalog for details about the incomplete (I), credit (CR), audit (AU), special audit (SA, SW, SX), official withdrawal (W), and administrative withdrawal (X) grades.

Imputed Credit: The faculty and administration have determined that some courses listed in this master schedule may not be counted toward degree programs offered by the college. These are courses which are not at the college level, but are designed as remedial courses for students who need to prepare themselves for college-level work. Eligible students enrolled in courses carrying imputed credit may receive financial aid.

Attendance: Every student is expected to attend all lecture and laboratory sessions for which he or she is registered. Absences will be recorded by instructors, and the student will be held responsible for making up all work missed. Attendance requirements for each course are established by the instructor and announced, published, and distributed with the course outline at the first class meeting.

Participation in Online Courses: Online students must begin their course the week it is scheduled to begin. Students are expected to log in to their course three-four times per week. Participation requirements are set by the instructor and published in course information documents. More information is available at www.sunyjc.edu/academics/online-learning.

Retention and Graduation Rates: A study of the 752 students who enrolled as first-time full-time students at JCC in fall 2017 indicated that 38% had graduated by the beginning of the fall 2020 semester. An additional 14% had transferred to other colleges prior to graduation and 4% were still enrolled. A recent survey of 2019 graduates indicated that 40% of those responding had transferred to four-year colleges or universities and 51% were employed full time. (Sources: Materials from Jamestown Community College Office of Institutional Research and the 2018-2019 graduate follow-up survey). It should be noted that some students "stop out" for a semester or two due to family, work, or financial considerations, but eventually return to complete their educational programs. Some students leave college before receiving their degrees because they have obtained the necessary skills for employment or have otherwise met their educational goals by attending JCC. Additional information about JCC graduates is available at <http://www.sunyjc.edu/about/facts-figures>.

COURSE REQUIREMENTS

Students who have completed pre-/corequisites with a passing grade at another institution must provide a copy of their unofficial transcript at the time of registration. Terms used in course requirement information in the master schedule:

- **PREREQUISITE:** A course or other requirement that must be completed prior to enrolling in another course.
- **COREQUISITE:** A course or other requirement that must be completed during the same semester as another course.
- **ELIGIBILITY:** Refers to an academic readiness to take certain courses through successful completion of previous coursework or placement testing.
- **PERMISSION OF INSTRUCTOR:** A course with this notation requires the student to meet with the instructor to receive permission to take the course.

WAIVER OF PRE-/COREQUISITES: If a student feels qualified to take a course for which he or she does not appear to have the formal prerequisite background, the student should contact the instructor of the course. If, in the estimation of the instructor, the student meets the prerequisites in some other way, the instructor may sign an instructor's permission card which the student can then present to the Registrar's Office on the Jamestown Campus, the Counseling and Career Planning Center on the Cattaraugus County Campus, or the Main Office on the Dunkirk Campus. In the absence of the instructor, the waiver may be signed by the discipline coordinator/director, or dean. Students cannot register for courses for which they do not have a pre/corequisite or a signed waiver form.

SPECIAL STATEMENT REGARDING SEQUENTIAL COURSEWORK: In the case of sequential coursework (i.e. math and English) where the student's entry point may be determined by way of a placement procedure or successful completion of other coursework in the sequence, a student will have met a prerequisite or corequisite for a course in the sequence if they are eligible to register for a higher level course for which the current course is a prerequisite. That is, if a student is eligible to take course C in a sequence (where course A is a prerequisite for course B, and course B is a prerequisite for course C), the student has met pre- or corequisites for both course A and course B.

COURSE SCHEDULE TERMINOLOGY

JCC SCHEDULE MODE DEFINITIONS

Note - FLEX Courses (F01, F02, and F03) are noted with an “F” in the instructional Mode. FLEX courses may provide students with the opportunity to meet in person on the campus listed on the synchronous days and times already scheduled, if conditions allow.

Asynchronous (at times you choose)

- **Asynchronous Online** - Classes are completed via Blackboard, the college’s web-based learning management system, from any location that has internet access at times that you set for yourself. Students are expected to complete assignments by deadlines set by the instructor. You must be able to access the internet through a device equipped with speakers. (002)
Instructional Mode
 - 002 – Asynchronous Online
 - F02 – FLEX Asynchronous Online with the opportunity to meet in person on the campus and times listed, if condition allow.

Synchronous (live instruction)

- **Synchronous Online (Zoom)** – Classes are completed live using Zoom or a similar web-based interactive video platform from any location that has internet access in real time according to a pre-set schedule. You must access the internet through a device that has both a camera and speakers. Specific meeting times for synchronous portions of classes are listed with each course. (001 & F01)
Instructional Modes
 - 001– Synchronous Online (Zoom)
 - F01 – FLEX Synchronous Online (Zoom) with the opportunity to meet in person on the campus listed, if conditions allow.
- **In person** - Classes meet in person on the campus listed or other approved location. (000)
Instructional Modes
 - 000 – In person

Asynchronous/Synchronous (Hybrid) – Instruction offered partially asynchronously online and partially synchronously online or in-person.

- **Hybrid: asynchronous online & synchronous Zoom** – Class requires both asynchronous online learning and synchronous online meetings via Zoom or other resource. Specific meeting times for synchronous portions of classes are listed with each course. (003) & (F03)
Instructional Modes
 - 003 – Hybrid – asynch online & sync zoom
 - F03 – FLEX Hybrid – asynch online & synch zoom with the opportunity to meet in-person on the campus listed, if conditions allow.
- **Hybrid: asynchronous online & in person** – Class requires both asynchronous online learning and in person meetings. Specific meeting times and locations for in person portions of classes are listed with each course. (004)
Instructional Modes
 - 004 – Hybrid – asynch online & in person
- **Hybrid: synchronous Zoom & in person** – Class requires both synchronous online meetings via zoom and in person meetings. Specific meeting times and locations are listed with each course. (005)
Instructional Modes
 - 005 – Hybrid – synch Zoom & in person

ONLINE COURSES

As noted above, JCC offers online courses in asynchronous, synchronous, and hybrid modes. Familiarize yourself with the mode options or consult your advisor prior to selecting courses.

BEFORE CHOOSING AN ONLINE COURSE

- You must have a reliable Internet connection, computer access, and a valid email address. High speed access is highly recommended, but not required. Mobile devices are not recommended as the primary means to take an online course.
- Online courses rely heavily on reading, writing, and engaging in online discussions.

HOW DOES ASYNCHRONOUS ONLINE LEARNING WORK?

Courses follow a regular semester schedule with assignments due each week. Courses have specific starting and ending dates which must be followed. JCC recommends that you log in and participate 3-4 times a week to complete assignments and activities, as well as interact with your professor and classmates. During the week, you log in on days and times convenient to you. You participate in the course by reading the required textbooks and online material, asking questions, posting discussion responses, submitting assignments, or taking quizzes as required by each professor. Textbooks are required and can be purchased from the college store web store: <https://sunyjcc.bncollege.com> at least one week prior to class start date. Your professor posts information that explains requirements, expectations, the course schedule, and how you are evaluated.

Asynchronous online courses are offered on Blackboard, JCC’s learning management system.

1. Access your courses by selecting the My JCC link at www.sunyjcc.edu
2. Select courses – Blackboard
3. Follow the login directions
4. Complete the Student Orientation found under the Home tab; then click on the Orientation tab
5. On the Home tab, select your course from the My Courses module

Your online course is available one week prior to scheduled start date. Login at that time and verify your ability to access the course.

If you cannot find your course online or have problems logging in, immediately contact the JCC Help Desk at jchelpdesk@mail.sunyjcc.edu or 1.800.388.8557, ext. 1122. **It is your responsibility to start class on time.**

You have a JCC email account for official college communications. Access it at <http://www.sunyjcc.edu/myjcc> and select Google Account/Email.

SUNY GENERAL EDUCATION REQUIREMENTS

WHAT ARE THEY?

The SUNY General Education Requirement (SUNY GER) is the 30-credit requirement for all SUNY baccalaureate, A.A., and A.S. degree recipients, which supports academic excellence as well as student choice, mobility and degree attainment by expecting students to demonstrate achievement of SUNY-wide learning outcomes.

Students matriculating in fall 2015 or after and who graduate with an A.A. or A.S. degree **must** complete 30 credits of SUNY General Education courses that are distributed among at least seven of the 10 SUNY content categories. Mathematics and Basic Communication must be among the seven categories. (Students matriculating into the A.S. Engineering Science degree must complete 30 credits of SUNY General Education courses that are distributed among at least **five** of the 10 SUNY content categories.)

Students matriculating between fall 2010 and spring 2015 were encouraged to complete 30 credits of SUNY GER courses in at least seven of the 10 SUNY content categories, but were not required to do so.

HOW CAN I BE SURE IF MY COURSES ARE GOING TO MEET THE SUNY GENERAL EDUCATION REQUIREMENTS?

Use the checklist to identify JCC courses that meet requirements for each of the General Education categories. Meet with your advisor or a counselor to review these courses as they apply to the SUNY General Education Requirements.

HONORS PROGRAM

JCC's Honors Program provides challenging curriculum, supportive services, and special enrichment opportunities for highly motivated students who have demonstrated their academic ability. Honors students enroll in special honors-designated courses, engage in co-curricular activities, and complete projects that synthesize academic and real-world experiences. Students who complete the honors program requirements receive an honors citation on their transcripts along with other special graduation recognition and student privileges.

Honors courses are developed by faculty who are dedicated to providing additional rigor and support for honors students. The courses must have the following attributes: a focus on greater depth and breadth of subject matter; an interdisciplinary approach; strong attention to writing and critical thinking; and a strong focus on values and ethics.

New students with a 90% high school average who are eligible for MAT 1540 are eligible for the Honors Program. Returning students who are eligible to take a college-level English without support courses and MAT 1540 and have a GPA of 3.5 or better after 12 credit hours are honors eligible.

To earn JCC's honors citation students must successfully complete a three-credit hour **honors symposium course** as well as two one-credit hour honors project courses. The symposium course allows students to approach a global topic from diverse perspectives. The spring 2022 symposium course is:

3703 INT 2014 3 Sustainability: Future Visions Damon, C

Course Description:

Students will examine the issue of global sustainability from diverse perspectives, including but not limited to historical, ethical, scientific, and economical. Students will gain an understanding of the 17 Sustainable Development Goals launched by the United Nations, societies attempting to promote sustainable efforts, and actions that contradict said efforts. The course concludes with an analysis of current sustainable efforts in a chosen community, with students working in interdisciplinary teams to research and improve upon one shortcoming in their location.

Honors students are required to successfully complete two one-credit, **project-based honors courses** which are related to courses in which they are currently enrolled or have recently completed. Each project must include some form of applied learning: fieldwork, internship, service learning, innovative/ creative project, and/or undergraduate research. After registering, you will be guided by the honors program coordinator and your advisor to identify a course to which to link the project. Students then work directly with faculty members to design projects that fit their interests and goals. Visit [JCC's Honors page](#) for project requirements and ideas.

3696 INT 2015 HONORS Project I Cooper, L
3697 INT 2515 HONORS Project II Cooper, L

INQUIRE COURSES

Inquire: Immigrant Voices

This course will focus on the experiences of migrants in the world today. Through stories and personal interviews students will examine and compare the thoughts, challenges, perspectives, and journeys of migrants. Students will answer the questions: Why do people leave their homes? What are the impacts and challenges for them, the communities they leave and those that receive them? Through community outreach, students will come to know immigrants living in our area and will capture their stories as part of a digital storytelling project.

Inquire: Gamer's Guide 2 the Galaxy

How do virtual worlds affect how we collaborate with others? Gaming is like any other journey in life, especially an academic one: When students come to college, they are presented with new "open worlds." They are expected to develop new skill sets and set upon new journeys that "level them up" in order to look back upon where they've been and set themselves for the future. Only after repeating the "mission" over and over again, can students become truly skilled; in such a cycle, they become academic masters. Featuring: the virtual galaxy of Eve with special guests: Mercenary V from Cyberpunk 2077 and the child combatant soldiers of Metal Gear Solid V: The Phantom Pain.

Inquire: What Would F. Nightingale Say?

Florence Nightingale has always been acclaimed as the founder of modern nursing. This journey in time will start at the beginning, researching the common medical practices of Florence's time. From there we will travel forward through history, identifying advances that have changed medical practices as Florence once knew. We will debate those changes and the positive and/or negative outcomes that have resulted. Our journey will end with a glimpse into the future and with what we propose medical practices might be. Along the way we will pause often to ask ourselves: What would Florence Nightingale say?

Inquire: Wellness & Happiness

If you ask people what they want in the future, health/wellness and happiness are often high on the list. College students want a future career and relationships that bring them meaning and happiness. What exactly are we envisioning when we set our sights on a happy future? How does wellness intertwine with happiness and how can we use writing to investigate these topics? In this course, we will examine the lessons gleaned from the scientific study of happiness and well-being. Students will identify factors that make happy individuals and societies, and will explore how to increase their personal wellness and happiness. Special attention will be paid to the multi-dimensional wellness model, happiness, gratitude, and positive well-being.

Inquire: Music, Love, Death, Spirit

Frank Fitzpatrick, a critically acclaimed songwriter, astutely describes music as "essential to human life and an integral part of our development as individuals and as a species." Every culture has always had music. Since love, death, and spirituality are also essential to our existence, it's not surprising that more songs likely have been sung about those three topics than any others. How does music help us to celebrate love, come to terms with death, and connect in spirit with something larger than ourselves? How does music about these topics add to our human experience, enabling us to discover deeper truths about ourselves? The class will examine these and other questions relating to music of various styles, time periods, genres, and student interests. Students will develop related questions as they explore and interpret music of their own choosing. Music listening, discussion of

multiple perspectives and meanings, personal reflection, and some research will be important components of our inquiry. No prior experience with music is required for this course, and it welcomes students of all majors.

Inquire: Robot Revolution

Advanced manufacturing technologies such as additive manufacturing, machine learning, robotics and others continue to grow in importance in manufacturing. The role for humans in industry will continue to change as well as a result of those technological changes. Students will explore the social, cultural, and very personal changes that are likely to occur as manufacturing becomes more highly automated. A battle plan will be developed to stay relevant and highly employable in the face of those changes.

Inquire: In the News

Do your instructors ever bring up topics in class that are in the news, but you don't have any knowledge about? Is your response, "I think I have heard about it, but I am not sure?" News is available through a lot of different mediums, but do you actually pay attention to or take advantage of what is available? We will discover together newsworthy events of local, national, and global concern while discerning appropriate sources for them. No "fake news" here. Students will follow their own topic of interest throughout the course and share their findings with the class each week and in a final project. Get ready to learn about what is going on all around us.

Inquire: Urban Legends

All of us have heard stories that have been passed down from our friends. Sometimes, these are ghost stories, such as the vanishing hitchhiker story about a young woman who finds a ride with a sympathetic driver only to disappear. Sometimes, these stories involve alligators in city sewers or dangers in college dorms. Called urban legends, these stories are set in contemporary cultures and often reflect concerns and imagined dangers of specific time periods. In this course, students will examine various urban legends to determine their overall significances, meanings and perceived moral lessons.

Inquire: Redefining Feminism

Don't be afraid to say the "F" word; feminism, that is. This course seeks to explore the roots and meaning of feminism and feminisms. Through participatory learning, collaborative projects, critical thinking, and creative expression, students will engage with differences that cut across race, gender identities, class, and national origin. This course will stress the role of students as active co-producers of knowledge and it will require students to participate in in-class discussions, written work, and project-based learning. Students will engage with sources ranging from graphic novels, social media, journal articles, and readings from various sources. Additionally, students will be required to complete a creative final project that integrates research with campus life.

Inquire: Beyond the Binary

The 21st century has seen an explosion of identities and manners of expression beyond the traditional male or female, gay or straight. Increasingly students and others identify as lesbian, gay, bisexual, trans, questioning, inter-sex, asexual, pan-sexual, resulting in confusion for the populations who identify as such and their friends, family, and society at large. This course is designed to help students understand who they are and how they fit into the world around them and how society could and should respond to the plethora of "new" identities based on the understanding of gender fluidity and related concepts. The course will take advantage of the instructor's 30+ years as a gay activist and include potential guest speakers from around the country. Students will use LGBTQIA+ resources in our library as well as readings from various sources, including but not limited to books. The course will also consider the historical changes in expression and identity starting in the late 19th century through the present day.

Inquire: Artificial Intelligence

"Hey SIRI, what will my career area look like in 5, 10, and 20 years?" The continual development, refinement, and implementation of artificial intelligence (AI) is a disruptive force increasingly impacting virtually every career area. In many cases, its implementation is increasing the speed and efficiency of systems (e.g. fraud detection in banking), but in others the impact can potentially have more damaging effects (e.g. the impact of autonomous vehicles on employment in the trucking industry). Through an exploration of AI past, present, and future, students will consider various forms of artificial intelligence, how the application of AI impacts society in general, and more specifically AI's potential impact on their individual choice of careers.

Inquire: The Black Experience

This course is an introductory course, offering an overview of major themes, issues, and concentrations in African American Studies. In order to explore the complexities and the richness of the African American experience students will engage with written texts, film, art, music, and literature. This course is intended to provide a foundation in African American Studies that sparks students' curiosity and encourages them to explore the topic further.

Inquire: Early Black Cinema

Early Black Cinema: Students will study independent movies made for segregated theaters from the 1920s into the 1940s. Through research, discussion, and video creation, we will strive to identify with the audiences of "Race Cinema": Black-cast movies which confronted such issues as the color line, Jim Crow, the few allowed role models, Blackface minstrelsy, the Harlem Renaissance, and northern migration.

Inquire: Finding Your Inner Roman

The life we are used to today has many roots in ancient Rome. The Romans not only gave us ideas such as "representative democracy" and "innocent until proven guilty," but they were also master engineers and architects who invented concrete and used it to build an environment very similar to the one that surrounds us today. But ancient Rome wasn't just similar on the surface; there is quite a bit of "ancient Roman" in all of us. Are you a sports fan? Do you like to shop? Do you like "fast food" or a massage after working out at the gym? If so, you could spend a day in ancient Rome and still do many of the same things that you like to do today. In this course you will meet your "inner Roman" and learn about the numerous Roman influences on American culture today. On this journey of imagination you will journal your life in ancient Rome and reflect critically on our own society.

COURSE REGISTRATION PROCESS

Whether you're pursuing a degree or certificate program, or just taking a class or two, the staff and faculty at JCC are committed to helping you with your journey. Please select one of the following options:

- [Apply to JCC as a new student](#): If you're interested in earning a degree or certificate at JCC, learn more about the application process and any special steps. An advisor will help you register for classes once you're accepted.
- [Register for courses as a current student](#): If you're a current student at JCC and ready to register for courses, contact your advisor or the Counseling and Career Center.
- [Register for an individual course \(without pursuing a program\)](#): If you're interested in taking a course or two (without earning a degree or certificate), and you're not a current JCC student, complete the registration forms for spring 2022, located under Forms on [the Registrar's Office webpage](#). **Please note, if course requisites were completed at another institution, you will be asked to provide an unofficial transcript as proof that they were met. Otherwise, instructor permission is required.**

ACCEPTED FULL- AND PART-TIME DEGREE SEEKING STUDENTS:

Students who plan to attend JCC full-time (12 credits or more) meet with an advisor and are registered for courses outlined at [Next Steps](#). Students who plan to attend JCC part-time while earning a degree are also encouraged to apply and review the [Next Steps](#) checklist.

PART-TIME NON-DEGREE SEEKING STUDENTS:

If you are a part-time student planning to take between 1-11 credit hours and do not plan to earn a degree at JCC, or receive financial aid, submit the following required information:

- **Certificate of Residence**
 - **Chautauqua County and Cattaraugus County residents** - Complete the electronic certificate of residence form at sunyjjc.edu/cor.
 - **If you live in a New York state county other than Chautauqua or Cattaraugus** - Follow your county treasurer's instructions for obtaining a certificate of residence. Submit the certified affidavit from your treasurer to JCC's business office by e-mailing it to cor@mail.sunyjjc.edu.
- **Course Registration Form** - Complete the [course registration form](#). You will receive an email from the registrar's office within 1-3 business days with your Self-Serve Banner user name (J-number) and six-digit PIN. If you are missing prerequisites or the course you are seeking is full, the registrar's office will provide additional instructions.

IMMUNIZATION & MENINGOCOCCAL DISEASE INFORMATION

According to New York State Public Health Law (NYS PHL) §2167, JCC is required to maintain a record of the following for each student: **A response to receipt of meningococcal disease and vaccine information** signed by the student or student's parent or guardian. This must include information on the availability of meningococcal meningitis vaccine **and** either 1) **a record of meningococcal meningitis immunization** within the past 5 years, or 2) **an acknowledgement of meningococcal disease risks and refusal of meningococcal meningitis immunization** signed by the student or student's parent or guardian.

Complete JCC's Certificate of Immunization/Acknowledgement of Meningitis Information form, available at the JCC health center on the campus you are attending or downloaded from www.sunyjjc.edu. *According to New York State Public Health Law, no institution shall permit any student to attend the institution in excess of 30 days without complying with this law. The cost of the vaccine may be covered by the individual's health insurance policy.*

To learn more about meningitis and the vaccine, contact the JCC health center and/or your physician. Additional information about the disease is available at the New York State Health Department (www.health.state.ny.us), the Centers for Disease Control and Prevention (CDC) (www.cdc.gov/ncidod/dbmd/diseaseinfo), and the [American College Health Association \(ACHA\)](#).

Students born on or after January 1, 1957: New York State Public Health Law 2165 requires post-secondary students attending colleges and universities to demonstrate proof of immunity to measles, mumps, and rubella. This law applies to anyone born January 1, 1957 or later who is taking six or more semester hours. Failure to do so will result in suspension and a \$25 fine.

Acknowledgement of Meningitis Information form should be signed by a physician, unless you are attaching other legal proofs such as school records or county clinic records. For questions regarding immunizations, contact the campus health center at the site you are attending:

Cattaraugus County Campus: 716.376.7569, Jamestown Campus, 716.338.1013, or North County Center 716.338.6500

MUS	2880	Prerequisite: MUS 2870.
MUS	2890	Prerequisite: MUS 1710 or MUS 1730.
MUS	7513	Students will explore the rich diversity of ways in which music is made in Africa, India, Asia, Indonesia, the Middle East, and other regions outside of Western Europe and North America. How can music communicate the passion of a populace and help to create cultural identity? How can music strengthen community, contribute to the collective memory, and serve as a conduit for spirituality? In what ways does music define and create a framework for human rituals and cultural traditions? How do geographic, economic, political, and societal factors interact to shape the music of a region or culture? What can music show us about the connections between regions and cultures? What can we learn about our own culture from the music of other cultures? How can the music of other cultures ultimately deepen our understanding of what it means to be human? Students will explore these and other questions through this study of a wide variety of folk, indigenous and classical music styles. No prior musical experience or skills are required for this course. No requisites.
