

# Digital Graphic Design & Publishing

curriculum code: 1782 | HEGIS code: 5012

minimum credit hours required: 33

This certificate provides students a sequence of study that will offer them artistic and technical skills vital to the contemporary media design workplace. The coursework is intended to provide suitable preparation for entry level employment in computer design and publishing; it also enables people currently employed in computer design and publishing a means to upgrade and expand their skills. **Program completion will require students to attend some classes on the Jamestown Campus.**
