

CERTIFICATE
Information Technology

curriculum code: 1498 | HEGIS code: 5101
minimum credit hours required: 30

This certificate program provides the student with strong computer user skills and an understanding of fundamental IT concepts. Students who complete the IT certificate are ready for job responsibilities in areas of information processing and IT support such as help desk assistant, information processing support specialist, or in computer sales. This certificate also affords the student with a good foundation for further academic work in a wide range of computer-related degree programs. **Program is also available online.**
