

# Music Industry

curriculum code: 2940 | HEGIS code: 5610

minimum credit hours required: 60

This degree program prepares students for transfer to a four-year baccalaureate degree in music business or a related field, with the ultimate goal of finding employment in one or more of a variety of areas within the modern music industry. It also serves the student interested in an associate's degree as a terminal degree before pursuing employment in the music industry. **Program completion will require students to attend some classes on the Jamestown Campus.**
