

CERTIFICATE

## Web Design

curriculum code: 1846 | HEGIS code: 5104

minimum credit hours required: 30

This certificate program helps meet the growing demand by industry for people knowledgeable about web page design and Internet related issues. It provides the student with a strong base in computer technology, complemented by an understanding of design principles. Students who successfully complete the web design certificate meet entry level requirements for employment as a web designer or website support specialist.
