Center Gallery Featuring Jurors’ Choice Show

The Cattaraugus County Arts Council’s Jurors’ Choice CCAC Member Show is on display in JCC’s Center Gallery through March 27.

At the biannual CCAC member show in September 2014, jurors Sharon McConnell, gallery director of the Fosdick-Nelson Gallery at Alfred University, and Sara Zak of Buffalo, a visual artist and community organizer, worked collaboratively to select pieces submitted by 26 member artists for the current exhibit and then chose the show winners from the exhibit.

Heather Kanazawa of Kennedy was awarded best of show, Mikel Winternmantel of Allegany received jurors’ choice first place, followed by William Contino of Alfred with second place and Bernard Aaron Dolecki of Alfred with third place.

Gallery hours are 8 a.m. to 7 p.m., Monday through Thursday, and 8 a.m. to 3 p.m. on Friday.

All My Sons Opens March 6

JCC’s production of All My Sons opens March 6 at 8 p.m. in Scharmann Theatre on JCC’s Jamestown Campus.

Performances will also be held March 7, 13, and 14 at 8 p.m. and March 8 at 2 p.m. Tickets are $10, premium seating, and $9, general seating. JCC Faculty Student Association members receive a $2 discount on tickets.

Tickets can be obtained by calling JCC’s box office at 338.1187 or by purchasing at the theatre door prior to performances.

Winner of the Drama Critics Award for Best New American Play in 1947, All My Sons introduced themes that run through playwright Arthur Miller's work: the relationship between fathers and sons and the conflict between business ethics and personal morality.

Scholars Day Proposals Due March 17

Proposals for poster presentations are due March 17 for Scholars Day: A Student Research and Creativity Expo. The program will be held in the Student Union from 10 a.m. to 2 p.m. on April 22.

Projects can be created by individuals or teams of currently enrolled JCC students and must be endorsed by a JCC faculty member. Faculty are also encouraged to present their work, and may take part in a student group. It is acceptable for the work to have been presented at other venues or for it to be a work in progress.

Scholars Day is an ideal presentation venue for projects completed as a result of Honors Program coursework, capstone courses, study abroad, field placements and internships, performances, service work/courses, research, courses requiring a public speaking/presentation component, or other forms of experiential learning.

All applicants who provided contact information will be notified by March 30 whether or not their proposals were selected for presentation. More information, including evaluation criteria, is available at www.sunyjcc.edu/academics/scholars-day.

The best overall poster presentation will be awarded $100. Faculty are not eligible to receive monetary awards; student groups with a faculty member will still be eligible to receive awards.
