I am continually inspired by the positive momentum and enthusiasm that permeate Jamestown Community College. Though times haven't always been easy, our ambitious and forward-thinking approach has ensured that we remain at the forefront of educational excellence for all in our region – regardless of background or circumstance.

I am delighted that our enrollment numbers have continued to rise since 2020. This growth is a testament to our collective efforts to adapt and evolve in response to the ever-changing educational landscape. As more students come to campus for classes and activities, the renewed face-to-face interactions speak volumes about the value our students place on the well-rounded college

experience we provide.

Our dedicated administration, faculty, and staff remain proactive in addressing the diverse needs of our students and the evolving demands of our local workforce, ensuring that our offerings remain relevant and impactful. Whether preparing for transfer to a four-year institution or entering the workforce directly, our students are equipped with the knowledge, skills, and confidence needed for success in their chosen paths.

It is an honor to serve alongside such dedicated individuals who share a passion for JCC's success. Together, and with your support, we will continue to build upon our accomplishments, overcome and embrace new challenges, and shape a strong future.

Dear Friends of Jamestown Community College,

The JCC Foundation Board of Directors is committed to higher education, meeting student needs, and strengthening SUNY Jamestown Community College. In meeting that commitment, the Foundation provides direct scholarship support to students, facilitates grants, and supports college programs and capital projects. The Foundation’s success is due, in large part, to our loyal and generous donors and supporters who share our commitment.

Current economic and social challenges pose barriers for our students and for the college. Together, we work to ease the impact of these challenges and barriers while investing in the JCC and its students’ futures.

Last fiscal year, the Foundation disbursed 255 scholarships, totaling \$515,419. We are grateful for our 299 new donors, many of whom established new scholarships that will provide perpetual support to students for generations. I am pleased to share our annual report and thank you for your continued generosity and commitment to Jamestown Community College.
