

COVID-19 VACCINATION VERIFICATION FORM

The State of New York mandates COVID-19 vaccinations for all students, upon the FDA's full approval of one of the COVID-19 vaccines.

You are required to provide JCC's health center with a copy of a FDA-approved COVID-19 vaccination. Will also accept World Health Organization approved COVID-19 vaccines as proof.

What is COVID-19? As defined by the CDC, COVID-19 is a respiratory disease caused by SARS-CoV-2.

How does it spread? According to the CDC, COVID-19 is spread person to person through respiratory droplets produced when an infected person coughs, sneezes, or talks.

What are the symptoms? Some may experience minor aches and pains, new loss of smell and taste, congestion, runny nose, fever, chills, fatigue, muscle aches, cough, sore throat, nausea, vomiting, diarrhea, headache, shortness of breath, and or difficulty breathing. Some symptoms lead to hospitalization.

How soon do symptoms appear? Symptoms may appear 2 - 14 days after exposure to the virus.

What is the treatment? Treatment depends on the severity of your symptoms. Mild symptoms are treated conservatively depending on patient condition. Hospitalization may be required for more severe symptoms.

Is there a vaccine for COVID-19? Yes. For more information about COVID-19 vaccinations, visit <https://www.cdc.gov/vaccines/covid-19/index.html>

Is the vaccine safe and how long does it provide protection?

The vaccines are safe for most people. There are minor cases of adverse reaction(s) to one or more of the current COVID-19 vaccines. Talk with your primary care provider for more information about the safety and efficacy of the COVID-19 vaccination. No current information is available as to how long COVID-19 vaccination lasts, and whether a booster will be needed.

Where can I get a COVID-19 vaccination?

Inquire with your primary care provider or visit:

- <https://covid19vaccine.health.ny.gov>
- <https://chqgov.com/public-health/covid-19-vaccination-clinics>
- <https://www.cattco.org/covid-vacc-info>

Your local pharmacy may also offer COVID-19 vaccination. Go to your pharmacy website to schedule an appointment.

Are there exemptions? Yes. Students may submit a medical or religious exemption. Fully remote students may also request an exemption. Contact the Health Center for more information about exemptions.
