INDEPENDENT VERIFICATION

Your federal aid application (FAFSA) was selected for a process called “verification.” This process requires the college you attend to review and confirm certain information reported on your FAFSA. The financial aid office will compare your FAFSA with information on this worksheet and other required documents. If there are differences, the financial aid office may need to correct your FAFSA. Please **do not** make changes to your FAFSA at this time **unless using the IRS Data Retrieval Tool or advised to do so** by the financial aid office. *Note: Federal regulations give the financial aid office authority to request this information before awarding federal aid (34 CFR, Part 668). This includes Federal Direct Student & Parent (PLUS) loans.*

The verification process can take 3-6 weeks to complete depending on when all required documentation is received.
