INDEPENDENT STATUS BASED ON CHILD OR DEPENDENT

Your status as an independent student for federal student aid is based on your answer to the question on your FAFSA indicating you have child(ren) or dependent(s) who will receive more than half of their financial support from you during the academic year (July 1, 2020 to June 30, 2021). To verify your claim, complete this form showing how you provide this support. Support includes but is not limited to money spent on food, housing, clothing, health insurance, childcare, transportation, personal items and other necessities; it can also include public assistance benefits or child support received for child(ren)/dependent(s).

Do not leave any questions blank; incomplete forms will delay the processing of federal student aid.

Note: The financial aid office may ask you to submit documentation to support your claim.
