**Student's name:** \_\_\_\_\_ **Phone:** \_\_\_\_\_

You indicated on the 2021-22 FAFSA that you are unable to provide parent\* information. If you cannot obtain parent information for the FAFSA and want to be considered for a Federal Unsubsidized Stafford Loan, you and your parent must complete and sign this form and submit it to the financial aid office for review.

**\*Who is considered my parent?** "Parent" means your legal (biological and/or adoptive parent/stepparent). If your parents are unmarried and live together you must report information about both of them. Grandparents, foster parents, legal guardians, older siblings and uncles or aunts are not considered parents unless they have legally adopted you. If you're divorced or widowed parent has remarried, you must report information about your stepparent. If your parents are divorced or separated and do not live together, report information about the parent with whom you have lived more during the past 12 months. If you lived the same amount of time with each parent, report information about the parent who provided more financial support during the past 12 months, or during the most recent year you received support from a parent. For more information, see <https://studentaid.gov/sites/default/files/who-is-my-parent.png>.

1. After reading the box above, have your parent that would be required to provide information on the FAFSA complete and sign the Parent Section below. (Parent signature must be notarized.)
