

JAMESTOWN COMMUNITY COLLEGE
State University of New York

INSTITUTIONAL COURSE SYLLABUS

Course Title: Introduction to Global Studies

Course Abbreviation and Number: GLS 1500

Credit Hours: 3

Course Type: Lecture

Course Description: Using a historical perspective of systemic forces, students will learn about major challenges facing our world today and will develop an understanding of the interconnectedness of people, places, institutions, and circumstances around the world. Students will bring together different insights regarding population trends, resource management, climate change, technological advancements, global conflict, and the role of governance and economics in supporting equitable societies, while emphasizing the role of the individual and their relationship to the larger global economy.

Eligibility: ENG 1510 without supports or Corequisite: ENG 1510 with supports.

General Education Requirements Met

SUNY

World History & Global Awareness

JCC

Cultural Understanding

Global Perspectives

Student Learning Outcomes:

Students who demonstrate understanding can:

1. Demonstrate knowledge of a broad outline of world history and/or the development of the distinctive features of at least one civilization or culture in relation to other regions of the world. [SUNY Gen Ed - World History & Global Awareness]
 2. Demonstrate awareness of systemic global issues and the impact of individual and collective decisions on life around the world. [SUNY Gen Ed - World History & Global Awareness]
 3. Demonstrate knowledge and understanding of global issues, processes, trends, and systems and the impact of individual and collective actions. [JCC Gen Ed – Global Perspectives]
 4. Demonstrate understanding of cultural similarities and differences and how cultural norms shape each person’s experience of the world. [JCC Gen Ed – Cultural Understanding]

- [Emergency Closing Procedures](#)
- Course grade is determined by the instructor based on a combination of factors, including but not limited to, homework, quizzes, exams, projects, and participation. Final course grade can be translated into a grade point value according to the following:

A=4.0	B+=3.5	B=3	C+=2.5	C=2	D+=1.5	D=1	F=0
-------	--------	-----	--------	-----	--------	-----	-----

- Veterans and active duty military personnel with special circumstances (e.g., upcoming deployments, drill requirements, VA appointments) are welcome and encouraged to communicate these to the instructor.

Effective Date: Fall 2023
