About the Cattaraugus County Campus

JCC's Cattaraugus County Campus in Olean, NY is surrounded by North Union St. to the west, Hamilton St. to the south, North Barry and North Clinton St. to the east, and train tracks to the north.

Within campus, buildings are connected by a sidewalk loop, as well as sidewalks that join in a spoke pattern at the center of campus, marked by the campus clock tower. Starting at College Center in the southwest corner and going in a clockwise rotation, the order continues with Allied Health and Sciences Center, eSports Arena, Library and Liberal Arts Center, Cutco Theater, and Technology Center. Manufacturing Technology Institute sits directly behind the Cutco Theater.

Also part of campus, but separated by streets:

- Olean YMCA/JCC Physical Education Center, at the corner of North 10th St. and Wayne St. to the west of campus.
