This degree program prepares students for transfer to a four-year college or university to earn a baccalaureate degree in an area of the humanities. Humanities is one of the broadest academic disciplines and offers students a great deal of flexibility and significant freedom in course selections. Working with their faculty advisors, JCC students can focus on interest areas in art, English, philosophy, world language, music, and theatre. Students can choose to earn the general degree or can choose to earn the degree with a concentration in English (a SUNY Transfer Path). **Program is also available online.**
