

**ARTICULATION AGREEMENT**  
**In**  
**ART**  
**Between**  
**EDINBORO UNIVERSITY OF PENNSYLVANIA**  
**And**  
**JAMESTOWN COMMUNITY COLLEGE**

This agreement, made on this date, \_\_\_\_\_, provides a means by which graduates of the **Associate in Science (A.S.) in Fine Arts: Studio Arts degree program** at Jamestown Community College (hereafter “JCC”) can transfer with full junior standing into the **Bachelor of Fine Arts (B.F.A.) Applied Media Arts and B.F.A. Studio Arts degree programs** at Edinboro University (hereafter “EU”.) The B.F.A. Applied Media Arts degree program offers concentrations in Cinema, Graphic & Interactive Design, and Photography. The B.F.A. Studio Arts degree program offers concentrations in Ceramics, Drawing, Illustration, Jewelry/Metalsmithing, Painting, Printmaking, Sculpture, and Wood/Furniture Design.

**I. Principles of Agreement**

**1. Admission Process.**

- a. Intent to Enroll.** At least six months prior to matriculation at EU, the student confirms the intent to enroll by completing the admissions application. All students will follow established guidelines stated in the current EU college catalog for general admission to EU. EU will acknowledge the student’s intent to enroll and the student will submit an advance tuition deposit that will be credited toward the first semester fees.
- b. Acceptance into the Art Program.** JCC students who have completed the A.S. Fine Arts: Studio Art degree program with a minimum grade JCC point average (GPA) of 2.00 will be admitted into EU and accepted into their choice of either the B.F.A. Applied Media Arts degree program or the B.F.A. Studio Arts degree program, and into the concentration of their choice.
- c. Student Transcript.** The student must forward an official final JCC transcript verifying receipt of the A.S. Fine Arts: Studio Arts degree prior to registering at EU. Official transcripts from all other colleges and universities attended must also be provided. Costs associated with these transcripts will be paid by the student.

- 2. Specific Provisions of the Articulation Agreement.** To receive transfer credits and have them posted on an EU college transcript, **the student must apply** and be admitted to EU **within three years of completing their program at JCC**. Credits for students graduating from JCC more than three years before their admission to EU will be reviewed by the Art department.

- 3. Transfer of Credits and B.F.A. Degree Completion.** Students who earn the A.S. Fine Arts: Studio Arts degree and transfer the equivalent of at least 60 EU credits from Exhibit A will have the opportunity to earn the B.F.A. Applied Media Arts degree or the B.F.A. Studio Arts degree in two to three years at EU. In addition to four to six traditional fall and spring semesters, some summer and/or winter coursework may be required. Students should contact the EU Art department for details about time to completion for their intended concentration. EU Graduation Residency Requirements

include 30 of the last 60 credits and 50 percent of the major requirements must be EU coursework as part of the 120 credit bachelor's degree requirements. In addition, at least 42 credits must consist of advanced coursework (300 level or higher). For an Art course to transfer from JCC, a grade of C or better must be earned.

- 4. Academic Policies and Requirements.** The specific academic policies and degree requirements for the EU B.F.A. degree will be those in effect at the time of the student's admission into the program. Grades below a "C" will be reviewed for transfer students in the same manner as for native EU students.
