**COURSE EQUIVALENCIES**

This document establishes a transfer articulation agreement between Jamestown Community College and Medaille College. Its purpose is to afford students the opportunity to pre-plan their college careers, and to facilitate the transfer process from an Associate in Arts (AA) or Associate in Science (AS) degree program at Jamestown Community College to a parallel Bachelor of Arts (BA), Bachelor of Science (BS), or Bachelor of Science in Education (BSED) degree program at Medaille College.

**TERMS OF AGREEMENT**

1. 2. Medaille College will transfer a minimum of 60 Jamestown Community College credit hours toward meeting requirements for the Medaille College parallel degree.

Students can also choose to transfer additional Jamestown Community College credit hours. The maximum allowed number of transferrable Jamestown Community College credits from Appendix A toward meeting requirements for each Medaille College degree is:

4. Both Medaille College and Jamestown Community College agree to encourage qualified students to participate in this program by providing information, advisement, and assistance to prospective students.

6. Either party may independently cancel this agreement by notifying the other party in writing no less than one year before the intended date of cancellation.
