MASTER TRANSFER ARTICULATION AGREEMENT BETWEEN JAMESTOWN
COMMUNITY COLLEGE AND ST. BONAVENTURE UNIVERSITY   2020
WITH COMPUTER SCIENCE ADDENDUM

PURPOSE OF AGREEMENT
This document establishes a transfer articulation agreement between Jamestown Community
College (JCC) and St. Bonaventure University (SBU). Its purpose is to afford students the
opportunity to pre-plan their college careers, and to facilitate the transfer process from JCC to
SBU.

GENERAL GUARANTEE OF ADMISSION, STANDING, AND TRANSFER OF COURSES
Students who graduate from JCC with any Associate in Arts (AA) or Associate in Science (AS)
degree are guaranteed acceptance to the SBU bachelor's degree program of their choice provided
they have earned a minimum JCC cumulative grade point average (GPA) of 2.5. Students who
transfer 60 or more credits to SBU are guaranteed full junior standing. The only exception to
this general guarantee is the SBU nursing program. See the attached Bachelor of Nursing
addendum for details regarding that degree program.

SBU will accept in transfer any JCC courses in which any passing grade (including D+ or D) has
been earned, provided the student's cumulative GPA at the time of enrollment at SBU is at least
2.5. For students whose cumulative GPA is below 2.5 at the time of enrollment, SBU requires a
minimum grade of C for a course to transfer. To earn a bachelor's degree, students must
complete at least 45 undergraduate credit hours and at least half of the major requirements at
SBU. Students can transfer up to 75 JCC credits toward fulfillment of a SBU bachelor's degree.

While this agreement serves as a stand-alone document, addenda have been added containing
information specific to transfer into SBU degree programs in Accounting, Adolescence
Education, Bioinformatics, Broadcast Journalism, Chemistry, Childhood Education, Childhood
and Early Childhood Education, Inclusive Childhood Education, Inclusive Childhood & Early
Childhood Education, Childhood Studies, Computer Science, Criminology, Cybersecurity,
English, Finance, Health and Society, Health Science, Journalism, Management, Marketing,
Nursing, Philosophy, Physical Education, Psychology, Public Health, Sociology, Spanish, Sport
Studies, Sports Management, Sports Media, Strategic Communication, and Women's Studies.
Addenda for additional SBU degree programs may be added from time to time. These addenda
may include additional conditions such as exceptions to the guarantee of admission or to the
required 2.5 cumulative GPA, specific required coursework for acceptance into the SBU degree
program, and specific coursework required in transfer to guarantee the opportunity to earn the
bachelor's degree in four semesters.

A separate agreement allows students registered for 12 or more JCC credits to take one
additional course free of charge at SBU each semester, on a space available basis, provided the
equivalent course is not being offered at JCC's Cattaraugus County Campus. Students are
responsible for any lab fees associated with the courses, and should note that the SBU semester
calendar may vary from that of JCC. Students can visit www.sbu.edu. to explore SBU course
offerings. They can also contact a JCC advisor or JCC's Counseling and Career Center for
additional information about this opportunity.

<u>ST. BONAVENTURE UNIVERSITY GENERAL EDUCATION CURRICULUM</u>
Students interested in transferring to SBU should note the following General Education Curriculum courses, which are required for every SBU bachelor's degree and can be satisfied in most cases by earning a JCC degree or taking JCC courses. Any student who earns an AA or AS degree from JCC will be considered to have satisfied the following course requirements of the SBU General Education Curriculum: SBU 101 Community of Learners, SBU 102 An Introduction to Contemporary Diversity, ENG 101 Writing I, and ENG 102 Writing II. They will also be considered to have satisfied these required SBU Distributions: Diversity, Franciscan Studies/Theology, Historical Studies, Intensive Writing, Literature and the Visual and Performing Arts, Natural Science with a Lab, Philosophy, Social Sciences, Technology, and Quantitative Literacy.

In addition, transfer credit for these individual SBU General Education Curriculum requirements will be granted as follows for these individual JCC courses:
