

**MASTER TRANSFER ARTICULATION AGREEMENT BETWEEN JAMESTOWN
COMMUNITY COLLEGE AND ST. BONAVENTURE UNIVERSITY 2020
WITH NURSING ADDENDUM**

PURPOSE OF AGREEMENT

This document establishes a transfer articulation agreement between Jamestown Community College (JCC) and St. Bonaventure University (SBU). Its purpose is to afford students the opportunity to pre-plan their college careers, and to facilitate the transfer process from JCC to SBU.

GENERAL GUARANTEE OF ADMISSION, STANDING, AND TRANSFER OF COURSES

Students who graduate from JCC with any Associate in Arts (AA) or Associate in Science (AS) degree are guaranteed acceptance to the SBU bachelor's degree program of their choice provided they have earned a minimum JCC cumulative grade point average (GPA) of 2.5. Students who transfer 60 or more credits to SBU are guaranteed full junior standing. The only exception to this general guarantee is the SBU nursing program. See the attached Bachelor of Nursing addendum for details regarding that degree program.

SBU will accept in transfer any JCC courses in which any passing grade (including D+ or D) has been earned, provided the student's cumulative GPA at the time of enrollment at SBU is at least 2.5. For students whose cumulative GPA is below 2.5 at the time of enrollment, SBU requires a minimum grade of C for a course to transfer. To earn a bachelor's degree, students must complete at least 45 undergraduate credit hours and at least half of the major requirements at SBU. Students can transfer up to 75 JCC credits toward fulfillment of a SBU bachelor's degree.

While this agreement serves as a stand-alone document, addenda have been added containing information specific to transfer into SBU degree programs in Accounting, Adolescence Education, Bioinformatics, Broadcast Journalism, Chemistry, Childhood Education, Childhood and Early Childhood Education, Inclusive Childhood Education, Inclusive Childhood & Early Childhood Education, Childhood Studies, Computer Science, Criminology, Cybersecurity, English, Finance, Health and Society, Health Science, Journalism, Management, Marketing, Nursing, Philosophy, Physical Education, Psychology, Public Health, Sociology, Spanish, Sport Studies, Sports Management, Sports Media, Strategic Communication, and Women's Studies. Addenda for additional SBU degree programs may be added from time to time. These addenda may include additional conditions such as exceptions to the guarantee of admission or to the required 2.5 cumulative GPA, specific required coursework for acceptance into the SBU degree program, and specific coursework required in transfer to guarantee the opportunity to earn the bachelor's degree in four semesters.

A separate agreement allows students registered for 12 or more JCC credits to take one additional course free of charge at SBU each semester, on a space available basis, provided the equivalent course is not being offered at JCC's Cattaraugus County Campus. Students are responsible for any lab fees associated with the courses, and should note that the SBU semester calendar may vary from that of JCC. Students can visit www.sbu.edu to explore SBU course offerings. They can also contact a JCC advisor or JCC's Counseling and Career Center for additional information about this opportunity.

ST. BONAVENTURE UNIVERSITY GENERAL EDUCATION CURRICULUM

Students interested in transferring to SBU should note the following General Education Curriculum courses, which are required for every SBU bachelor's degree and can be satisfied in most cases by earning a JCC degree or taking JCC courses. Addendum - Bachelor of Science in Nursing

PURPOSE OF AGREEMENT

This document establishes a transfer articulation agreement between Jamestown Community College (JCC) and St. Bonaventure University (SBU). Its purpose is to afford students the opportunity to pre-plan their college careers, and to facilitate the transfer process from the Associate in Applied Science (AAS) in Nursing degree program at JCC to the Bachelor of Science (BS) in Nursing degree program at SBU.

GUARANTEE OF ADMISSION AND STANDING

Students who graduate from JCC with the AAS in Nursing degree are guaranteed acceptance into the BS in Nursing degree program at SBU provided they have

- an unencumbered RN license and current registration in the state to which they want the SBU clinical hours to apply, and
- practiced nursing within the past five years, or graduated with the AAS in Nursing within the past five years.

Students who transfer to SBU with the AAS in Nursing degree are guaranteed full junior standing.

GUARANTEE OF OPPORTUNITY TO GRADUATE

JCC students who meet the above criteria are guaranteed the opportunity to earn the BS in Nursing degree with four full-time semesters of SBU coursework. Students can also choose to earn the BS in Nursing degree over a longer period of time by taking SBU courses on a part-time basis.

TRANSFER OF COURSES

SBU will accept in transfer toward meeting requirements for the BS in Nursing degree all 64 JCC credits required for the JCC AAS in Nursing degree. Four of those 64 credits will transfer as electives. Note that the SBU 6-credit writing requirement of ENG 101/102 is met by the JCC requirement of ENG 1510/1530. SBU will also accept in transfer toward meeting requirements for the BS in Nursing degree up to 11 of the JCC equivalent course credits identified in Appendix A, making a total of 75 transferable JCC credits.

SBU requires a minimum grade of D- for a course to transfer. When a JCC course carries more credit hours than its equivalent SBU course, the excess will transfer as elective credit hours within the same discipline. To earn a bachelor's degree, students must complete at least 45 undergraduate hours and at least half of the major requirements at SBU.

MODE OF COURSE DELIVERY

SBU coursework will include both face-to-face and online/distance learning instruction.
