## PURPOSE
This document establishes a transfer articulation agreement between Jamestown Community College (JCC), with campuses in Jamestown and Olean, NY, and Alfred State College (ASC), located in Alfred, NY. Its purpose is to afford students the opportunity to pre-plan their college careers, and to facilitate the transfer process for graduates of JCC's Associate in Science (AS) in Sport Management degree program to the Bachelor of Business Administration (BBA) degree program in Sport Management at ASC.

## ELIGIBILITY FOR ADMISSION AND STANDING
Students who
- graduate from JCC with an AS Sport Management degree,
- have achieved a minimum cumulative grade point average of 2.0, and
- have achieved a minimum overall grade point average of 2.5 for all JCC AS Sport Management Program Core Requirements and Program Core Electives (see the current JCC catalog for details)

are guaranteed admission into the BBA Sport management degree program at ASC with full junior status.

Students who do not meet all of the above criteria will be evaluated for acceptance on a case by case basis.

## GENERAL GUARANTEE OF OPPORTUNITY TO GRADUATE
For fall admits, students who graduate from JCC with an AS Sport Management degree and who have met all acceptance criteria specified in the current ASC college catalog, are guaranteed the opportunity to earn the BBA Sport Management degree with four additional semesters of normal coursework through ASC.

## TRANSFER AND GRADUATION INFORMATION
ASC accepts transfer credits only, not course grades. Grades must be "C" or better for the credits to transfer.

Students who earn an AS Sport Management degree from JCC will minimally receive 59 credit hours from ASC (less credits for courses in which a grade below C was received) toward meeting the requirements for the BBA Sport Management degree, provided their coursework at JCC includes BUS 1520, BUS 2530, BUS 2550, and CSC 1560 (see Appendix A). Students can also choose to take ECO 2610 or ECO 2620 (whichever is not chosen from Appendix A) and BUS 2570 at JCC and receive 65 credit hours from ASC toward fulfillment of the BBA requirements.

Graduation requirements to receive the BBA in Sport Management include:
- Successful completion of all courses (122 credits) prescribed in the program
- A minimum of 45 total upper division credit hours
- 30 credits of liberal arts and sciences (inclusive of AS and BBA coursework)
- 2.0 overall cumulative grade point average
- Completion of 7 of the 10 SUNY General Education categories and a minimum of 30 total general education credits

Appendix A lists ASC courses required for the BBA Sport Management, and also lists equivalent JCC courses.

Appendix B lists JCC courses required for the AS Sport Management degree, and also lists equivalent ASC courses and recommended JCC courses for transfer to ASC.

**Appendix A** - ASC courses required for the BBA Sport Management, and equivalent JCC courses.
